

# Welcome to 5<sup>th</sup> Grade!

As we prepare students for the challenges of 6<sup>th</sup> grade and middle school, your students will be met with a rigorous curriculum in 5<sup>th</sup> grade. In order for your student to feel successful, they should be able to do the following:

- Know all multiplication and division facts to 12
- Write multiple paragraphs including topic sentences and details
- Work independently for 20 minutes at a time
- Follow exact directions (a must for conducting experiments)

## Each student will need:

- 2" Binder or notebook in which to keep work organized
- Two folders with pockets
- Four single-subject spiral notebooks - WIDE rule
- Loose leaf, white, lined notebook paper - WIDE rule
- Two composition books - WIDE rule
- Pencil box or pencil pouch
- Two boxes of pencils (NO mechanical pencils, unless ok'd by teacher)
- Correcting pens (any color)
- Two highlighters (any color)
- EXPO brand white board markers (thick or thin)
- Erasers
- Crayons
- Markers
- Colored pencils
- Two or three glue sticks
- Scissors (child size, blunt ends)
- 12" Size ruler with both standard and metric measurements

## Please consider donating to your classroom:

- |                                  |                                      |
|----------------------------------|--------------------------------------|
| • Boxes of tissues               | • EXPO white board markers & erasers |
| • Wipes (we do not have sinks)   | • Hand sanitizer                     |
| • Wide-ruled notebook paper      | • Glue sticks and/or bottled glue    |
| • Copy paper (white and colored) | • Cases of bottled water             |
| • Pencils                        | • Pencil toppers and erasers         |

**5<sup>th</sup> Grade Back to School Night will be held on Wednesday, August, 15 from 5:00-6:30 pm.**
