

Cawston Elementary Kindergarten Round Up

Dear Parent or Guardian,

On behalf of Cawston Elementary we want to welcome your child and family to our school. We are very proud of the educational experience that Cawston provides its students. Education is an important factor that contributes to each child's success in life.

This summer we will be holding a special opportunity for all incoming Kindergarten & Transitional Kindergarten students. Our teachers have scheduled a day to meet and work with incoming Kindergarten & Transitional Kindergarten students and their families.

The purpose of this opportunity is to get a head start on the school year. Working with students and families will help us build kindergarten classes that benefit student learning needs. It is important that you bring your child to the Kindergarten Roundup, at the appropriate time.

We will be working with students only on August 6th between the hours of 8:00 am to 3:00 pm at Cawston Elementary, 4000 W. Menlo Ave, Hemet C.A. 92545. We highly encourage you to attend the time according to your child's last name. Coming at the correct scheduled time will reduce wait times for you and your child.

Monday August 6th	
A-M 8:00 am -11:00 am	
N-Z 12:00 am -3:00 pm	

If you cannot make your child's scheduled time, please feel free to attend at a time that is convenient for you. Thank you for your time and support.

PLEASE NOTE: ALL INCOMING KINDERGARTEN & TK STUDENTS MUST BE REGISTERED THROUGH HEMET USD DISTRICT PRIOR TO THE Roundup DATES ABOVE. These are not registration dates.

We look forward to meeting your child and having a successful kindergarten year.

Sincerely the Kinder Team at Cawston,

Mrs. Benzango, Mr. Pellicer, Mrs. Avants, Mrs. Love, Mrs. Montes, Mrs. Curley

Howdy New Kindergarten Students and Parents!

We are excited for a new school year. We are looking forward to meeting our new incoming kindergarten students and families.

What to expect at Kindergarten Roundup

- Greeting - Meet the teachers, other kindergarten families, and tell us about your student
- Tour of Kindergarten Area - familiarize yourself with our facility
- Presentation for parents - What should I expect this year in kindergarten? And a lot of good information!
- Students fun learning activity - working on fine motor skills, while parents enjoy a presentation
- Teachers will work 1-1 with students to get to know their strengths
