

Mr. Bruce Congleton reminded the board members that graduation will take place on May 25, 2018 at 3:00pm at the Santa Fe. All board members are invited and encouraged to attend. The school has been working hard to get their graduation rate above 40%. Mr. Congleton informed the board that Delta's summer school program is getting ready to start and that starting with summer school, we will be using Edgenuity instead of Accelerate for our online program. He mentioned that the school hosted a dance and that he was very happy with how appreciative the student body was for what the school was able to provide to them.
