

Classified Personnel

Employment Responsibilities

Each classified position represents a service that is important in carrying out the program of public education in this district. The community expects much from its public employees in return for adequate salaries and responsible conditions of employment.

The first responsibility of any employee is to do well in the position to which he/she has been assigned. The Governing Board believes that since classified employees are working in an educational environment and many are working closely with students they should conduct themselves in a manner that will serve as a good example to youth.

Public education is a cooperative venture involving the services of many people. The district functions best when there is a spirit of cooperation among all employees -- when the employees have confidence in and respect for the rights and responsibilities of others.

Each employee should seek to learn as much as possible about the total program of the schools, for he/she will be called upon frequently to answer questions about the schools and to interpret the school program to the community.
