

As the proud Principal of Monrovia Middle School, it is my pleasure to work with the teachers and staff to ensure a positive and rewarding experience for all students. Monrovia Middle School is proud of the rich history of academic, extracurricular, athletic, and artistic programs designed to benefit and advance student curricular and extracurricular achievements. Monrovia Middle School, year after year, is recognized by multiple publications and organizations as an excellent middle school. Monrovia Middle School teachers and staff believe that teaching above and beyond the standards helps build well-rounded students who are prepared for success after middle school. Monrovia is very proud of our rich traditions and we look forward to providing the best possible learning environment for all students.

We look forward to working with the many families and community members that trust Monrovia Middle School to educate and care for their students. Our team of administrators, counselors, faculty and staff is always available to meet and discuss school issues or the individual progress of any student with parents, guardians, and the students themselves. We are here to support the students' experience.

To make the school year the best for you and your student please support Monrovia Middle School in any way you can. Consider becoming part of the Monrovia Middle School family and tradition of excellence by joining the Monrovia PTO, or volunteering for help with school events. We look forward to making the middle school experience a positive and memorable one for you and your student. We will be seeing you at our many activities that make middle school a great experience. On behalf of the staff here at Monrovia, thanks for supporting us and your student and making this a great year!

It's a great day to be a Monrovia Hawk!

Travis L. Schrimsher, Ed. D.
Principal
