Six Books to Summer Success:

Research shows that reading just six books during the summer may keep a struggling reader from regressing. When choosing the six, be sure that they are just right — not too hard and not too easy. Take advantage of your local libraries. Ask for help selecting books that match your child's age, interests, and abilities. Libraries often run summer reading programs that motivate kids to read, so find out what's available in your area.

OverDrive

OverDrive is our digital library! We have hundreds of titles for students to choose from using their Google sign on.

If Central students have a Fresno County Public Library Card, they can also access OverDrive through the county library which has thousands of titles to choose from. Visit www.overdrive.com and select your school library.
