MESSAGE FROM THE SUPERINTENDENT

Dear West ISD Team,

I bring you greetings from the Board of Trustees and District Leadership Team of the West Independent School District.

As we begin our new school year, I want to take this opportunity to welcome all of our new employees to the District. I would also like to express my gratitude to our returning employees for past service and dedication. We are in changing times and the education process continues to get more and more difficult. Your efforts to deal with these changes while providing our children with a great education are certainly appreciated.

I would encourage each of you to become as active in our District as you can. I urge you to attend our School Board meetings to keep abreast of changes that occur in our District. As always, I encourage you to feel free to discuss any ideas or concerns with your campus administration, district leadership team, or school board members.

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are have been summarized. Suggestions for additions and improvements to this handbook are always welcome.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of non-contract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed online at www.westisd.net.

I encourage you to refer to this handbook as often as needed. Hopefully it will assist you in performing the duties of your assignment with confidence, effectiveness, and personal satisfaction.

Again, thank you for your service and dedication to West ISD and the community of West. I know with your help, we will have a very successful and productive school year. Go Trojans!

Sincerely,

[Signature]

District Information

Description of the District

The West Independent School District, with children as its first priority, strives to provide a safe, rigorous, stimulating academic environment in which students find both challenge and support to exceed state and federal standards while acquiring skills to make life long choices.

Mission Statement, Goals, and Objectives

Policy AE

West Independent School District is a community of learners. We strive to provide a rigorous, stimulating academic environment in which students, our first priority, find both challenge and support. We nurture a sense of curiosity, connection, and love of learning that extends beyond school years. We believe that exceeding state and federal academic standards is a non-negotiable. With equal regard, we support the development of social skills by encouraging a fundamental respect for oneself, our environment, and the larger world.

We believe that all students deserve to be surrounded by adults who believe they are capable of high achievement. We believe that every child deserves to be surrounded by a culture of high expectations and a rich array of options for the future. We believe that every child deserves dedicated educational and career guidance in order to define the pathways to the options he or she chooses. We believe that every child deserves quality curriculum, instruction, and services to be able to realize his or her personal aspirations by making well informed choices.

For the West ISD mission to succeed, a cooperative effort must exist among all stakeholders: community, parents, school staff, administrators, and the board of trustees.

District Commitments

- We commit to placing exceptional educators at every school through solid hiring systems.
- We commit to implementing innovative learning strategies in every classroom through inventive professional practice targeting research-based best practices.
- We commit to practicing fiscal stewardship through conservative methodology and transparency.
- We commit to operating the District by seeking community and stakeholder involvement throughout the decision making cycle.
- We commit to providing competitive learning and attractive work environments for students and staff by providing safe, clean, and comfortable facilities.
Board of Trustees  
*Policies BA, BB series, BD series, and BE series*

Texas law grants the board of trustees the power to govern and oversee the management of the District’s schools. The board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The Board of Trustees is elected by the citizens of the District to represent the community’s commitment to a strong educational program for the District’s children. Board members are elected by postion and serve 3-year terms. Board members serve without compensation, must be qualified voters, and must reside in the District.

Current Board Members include:

- Dr. Larry Sparks, President
- Mike Gerik, Vice President
- Leigh Crawshaw, Secretary
- Dr. John Crowder, Member
- Holly Willis, Member
- Ken Sykora, Member
- Jason Janek, Member

The Board usually meets the 2nd Wednesday at the Administration Building located at 406 West Shook Street. In the event that large attendance is anticipated, the Board may meet at the West High School / West Middle School Cafeteria. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the District website and outside window at the Administration office at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice. Virtual meetings may be scheduled as authorized by state law and orders.

All meetings are open to the public. Members of the public may sign-up to speak during the “audience” portion of meetings. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property sale, purchase or lease, certain personnel matters including employee complaints, security matters, confidential student matters including discipline, economic development matters, or consulting with attorneys including litigation.

West ISD Employee Handbook

Revised August, 2020
Employment

Equal Employment Opportunity
Policies DAA, DIA

West ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the District does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant’s job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination based on sex, including sexual harassment should contact the District Title IX Coordinator, Superintendent David Truitt at (254) 981-2000, or dtruitt@westisd.net. Employees with questions or concerns about discrimination on the basis of a disability should contact the District ADA/Section 504 Coordinator, Superintendent David Truitt at (254) 981-2000, or dtruitt@westisd.net. Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent David Truitt.

Job Vacancy Announcements
Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the District’s website (http://www.westisd.net/apps/jobs/).

Employment After Retirement
Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling (800) 223-8778 or (512) 542-6400. Information is also available on the TRS Website (www.trs.state.tx.us).

Contract and Noncontract Employment
Policy DC series

State law requires the District to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under
probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

**Probationary Contracts.** Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed at-will and not by contract and with an unspecified term of employment may be terminated at any time by either the employee or the District. If employed by contract, Chapter 21 of the Texas Education Code, including rights and process, is not applicable.

**Paraprofessional and Auxiliary Employees.** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract and with an unspecified term of employment may be terminated at any time by either the employee or the District.

**Certification and Licenses**

*Policies DBA, DF*

Professional employees whose positions require SBEC certification or professional license must maintain their credentials and license at all times during employment and are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resource Department in a timely manner.

A certified employee’s contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to
renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual’s failure to comply with criminal history background checks. Contact the Human Resource Department if you have any questions regarding certification or licensure requirements.

**Searches and Alcohol and Drug Testing**

*Policy CQ, DHE*

Noninvestigatory searches in the workplace including accessing an employee’s desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Employees are on notice that they have no legitimate expectation of privacy in those places. In addition, the District reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee’s personal items, and work areas including district-owned computers, lockers, and private vehicles parked on district premises or work sites or used in district business.

**Employees Required to Have a Commercial Driver’s License.** Any employee whose duties require a commercial driver’s license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the District’s policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Assistant Superintendent of Finance and Operations.
Health Safety Training
Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the District proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussional, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the campus principal or other designated official by the first day of instruction.

Reassignments and Transfers
Policy DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee’s supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by contacting the business office. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the business office and must be approved by the receiving supervisor.

Workload and Work Schedules
Policies DEA, DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year but may change in response to emergency conditions as determined by federal, state, local and district authorities which may result in school closures or remote instruction and off-campus work assignments.
Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period for instructional preparation, including parent-teacher conferences, evaluating students’ work and planning. A planning and preparation period may not be less than 45 minutes within the instructional day. During a planning and preparation period, a classroom teacher may not be required to participate in any other activity. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See *Overtime Compensation* on page 20 for additional information.

**Breaks for Expression of Breast Milk**

*Policies DEA, DEAB, DG*

The District supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

**Notification to Parents Regarding Qualifications**

*Policies DK, DBA*

In schools receiving Title I funds, the District is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child’s teacher. NCLB also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating
to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Department.

Outside Employment and Tutoring  
*Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation  
*Policy DN series*

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Employee Involvement  
*Policies BQA, BQB*

At both the campus and district levels, West ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the District. As part of the District’s planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the superintendent’s office.

Staff Development  
*Policy DMA*

West ISD strongly encourages each staff member to take part in appropriate staff development that will assist the staff member to further develop the skills needed to better serve the students of West ISD. In instances where staff development are required by law, TEA Guidance or District employees must complete such training.
Staff development activities are organized to meet the needs of employees and the District. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

All professional personnel and teacher aides are required to be on duty from 8:00 A.M. until 4:00 P.M. on staff development days. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Region 12 Education Service Center offers trainings and workshops that are extremely beneficial to our staff members. Occasionally, staff development may need to occur outside of the Region 12 ESC service area. This will be handled on a case-by-case basis and requires prior approval.

If you are interested in attending staff development, you must obtain authorization from your campus principal or immediate supervisor. After approval is granted, complete a Region 12 Event Registration Form or other appropriate registration form, have your principal or immediate supervisor sign the registration form, and then forward that form to the Executive Director for Curriculum and Instruction. From that point, the campus secretary will register each staff member for the workshop and will complete the purchase order for registration purposes, if needed. Meals, mileage, and/or hotels will be taken care of through each campus budget. Registration fees and expenses will not be paid if this process is not followed with the employee bearing responsibility for all charges.
Compensation and Benefits

Salaries, Wages, and Stipends

_Policies DEA, DEAA, DEAB_

Employees are paid in accordance with administrative guidelines and an established pay structure. The District’s compensation plan is reviewed by the administration each year and adjusted as needed by action of the Board of Trustees. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. Exempt positions are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See _Overtime Compensation_, page 20.)

All employees may review notice of their pay and work schedules before the start of each school year through Skyward. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the District’s extra-duty pay schedule.

Employees should contact the Assistant Superintendent of Finance and Operations for more information about the District’s pay schedules or their own pay.

Paychecks

All employees are paid in 12 equal monthly payments. Except in instances that warrant otherwise, salary checks are issued on or about the 26th of each month. Paychecks will not be released to any person other than the District employee named on the check without the employee's written authorization. During summer breaks, paychecks will be mailed to the employee, delivered via payroll deposit or may be picked up at the Business Office.

An employee’s payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. Payroll information may be viewed in Skyward. Contact the Business Office if you have any questions about your payroll or personal information.

The schedule of pay dates for the 2020-2021 school year follows:

*September 25*  *October 26*  *November 20*  *December 18*  *January 26*  *February 26*

*March 26*  *April 26*  *May 26*  *June 25*  *July 26*  *August 26*

_No checks will be released before the pay schedule dates._
**Automatic Payroll Deposit**

Employees can have their paychecks electronically deposited into a designated account. A notification period by the first of the month is necessary to activate this service. Contact the Business Office for more information about the automatic payroll deposit service.

**Payroll Deductions**

*Policy CFEA*

The District is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)

Non-certified employees who are in a position of at least 20 hours per week or 4 hours per day are subject to both TRS and Social Security. All employees who consistently work 20 hours a week are eligible to have a portion of their paycheck deposited to a 403(b) account. This is a deferred retirement account.

Other payroll deductions that employees may elect include deductions for the employee’s share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans. Employees may also request payroll deductions for payments of membership dues to professional organizations. Deductions can also be made for organizations such as Legacy West.

Salary deductions are automatically made for unauthorized or unpaid leave.

**Overtime Compensation**

*Policy DEAB*

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee’s regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins at 12:01 am Saturday and ends at midnight Friday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:
• Employees can accumulate up to 60 hours of comp time.
• Comp time must be used in the duty year that it is earned.
• Use of comp time may be at the employee’s request with supervisor approval, as workload permits, or at the supervisor’s direction.
• An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
• Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement
Policy DEE

Before any travel expenses are incurred by an employee, the employee’s supervisor must give approval and submit a reimbursement expense form in Skyward for the estimated amount. For approved travel, employees will be reimbursed for travel expenditures according to the current rate schedule established by the District. Travel expenses without required prior approval will not be reimbursed. Employees must submit receipts, if applicable, to be reimbursed for expenses other than mileage. There will be no mileage reimbursement for mileage between campuses.

Health, Dental, and Life Insurance
Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The District’s contribution to employee insurance premiums is determined annually by the Board of Trustees. Employees eligible for health insurance coverage include the following:

• Employees who are active, contributing TRS members
• Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

For employees with TRS-ActiveCare medical coverage, health and wellness resources are available including nurse lines, maternity programs, and other health and wellness programs. TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees through the TRS website. Employees should contact the Business Office for more information.
Supplemental Insurance Benefits
Policy CRD

At their own voluntary expense, employees may enroll in supplemental insurance programs for dental, vision, supplemental life, catastrophic illness or disability. Premiums for these programs can be paid by payroll deduction. Employees should contact the Business Office for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, but must elect either to accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must elect to accept or reject this benefit during their first month of employment. All employees must elect to accept or reject this benefit on an annual basis and during the specified time period.

Workers’ Compensation Insurance
Policy CRE

In accordance with state law, the District provides workers’ compensation benefits to employees who suffer a work-related illness or are injured on the job. The District’s workers’ compensation coverage is with Creative Risk Funding.

Benefits help pay for medical treatment and lost wages while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries must be reported immediately to the Business Office. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See Workers’ Compensation Benefits, page 30 for information on use of paid leave for such absences.

Unemployment Compensation Insurance
Policy CRF

Employees who have been released or terminated from employment, through no fault of their own, may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months.
if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the business office.

**Teacher Retirement**

*Policy DEG*

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the business office as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call (800) 223-8778 or (512) 542-6400. TRS information is also available on the web (www.trs.state.tx.us). See Employment After Retirement for information on restrictions of employment of retirees in Texas public schools.
Leaves and Absences

Policies DEC, DECA, DECB, CRD

Each campus and department has an approved process for reporting absences from work. Teachers should leave lesson plans along with a seating chart and instructions for substitutes in the event of an absence.

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Business Office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the District.

Leave must be used in half-day increments. However, if an employee is taking intermittent family and medical leave, leave shall be recorded in one-hour increments. Leave shall be recorded in the amount used when an employee chooses to offset leave against workers’ compensation benefits. Earned compensatory time must be used before any available paid state and local leave.

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

- Local leave
- State sick leave accumulated before the 1995-96 school year
- State personal leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification.

Medical Certification. Any employee who is absent more than 3 days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
Continuation of Health Insurance. Health insurance benefits for employees on approved paid leave and leave designated under the Family and Medical Leave Act will be paid by the District on the same terms as prior to the leave. The District does not pay any portion of insurance premiums for employees who are on unpaid leave. Under TRS-Active Care rules, an employee is no longer eligible for insurance through the District after six months of unpaid leave other than FML. If an employee’s unpaid leave extends for more than six months, the District will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee’s usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee’s discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 5 days in advance of the anticipated absence. The effect of the employee’s absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Leave Proration. If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee’s final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in half-day increments, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers’ compensation benefits.

State sick leave may be used for the following reasons only:

• Employee illness
• Illness in the employee’s immediate family
• Family emergency (i.e., natural disasters or life-threatening situations)
• Death in the immediate family
• Active military service

Local Leave

Professional employees shall earn five paid local leave day per school year. An employee with available personal leave is entitled to use the leave for compensation during a term of active military service. “Personal leave” includes personal or sick leave available under former law or provided by local policy.

Emergency Paid Sick Leave

Effective April 2 to December 31, 2020, an employee who is unable to work or telework due to COVID-19 is eligible for two weeks (10 days) of paid leave when:

• the employee is subject to a federal, state, or local quarantine or isolation order related to COVID-19;
• the employee has been advised by a health care provider to self-quarantine because of COVID-19;
• the employee is experiencing symptoms of COVID-19 and is seeking a medical diagnosis;
• the employee is caring for an individual subject or advised to quarantine or isolation;
• the employee is caring for a son or daughter whose school or place of care is closed, or child care provider is unavailable, due to COVID-19 precautions; or
• the employee is experiencing substantially similar conditions as specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury.

Full-time employees are eligible for 10 days (80 hours) of leave at their regular rate of pay, up to a limit of $511 per day ($5,111 in total) and Part-time employees are eligible for the average hours worked over a two-week period at their regular rate of pay up to the same limits for full-time employees if they are:

• Subject to quarantine or isolation order related to COVID-19;
• Advised to self-quarantine by a health care provider; or
• Experiencing symptoms of COVID-19 and are seeking a medical diagnosis.

Full time and part time employees are eligible for two-thirds pay, up to $200 per day ($2,000 in total) when leave is taken to:

• Care for an individual subject or advised to quarantine or isolate;
• Care for a son or daughter if school is closed or child care provider is unavailable due to COVID-19; or
• the employee is experiencing substantially similar conditions as specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury.

Sick Leave Pool

A sick leave pool must be requested in writing by the employee and approved only by the Superintendent.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, Employee Rights and Responsibilities Under the Family and Medical Leave Act. Specific information that the District has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

• For incapacity due to pregnancy, prenatal medical care or child birth;
• To care for the employee’s child after birth, or placement for adoption or foster care;
• To care for the employee’s spouse, son or daughter, or parent, who has a serious health condition; or
• For a serious health condition that makes the employee unable to perform the employee’s job.

Emergency Family and Medical Leave Expansion Act. Effective April 2 to December 31, 2020, employees are afforded 12 weeks of FML leave when an employee is unable to work in order to care for a minor child whose school or child care is closed or unavailable due to COVID-19. The first two weeks (10 days) of leave are unpaid but an employee may use accrued paid or emergency leave. The remaining 10 weeks are paid at two-thirds the employee’s regular rate for a maximum payment of $200.00 a day ($10,000 total). Paid leave for an employee’s own illness or quarantine is limited to 10 days. To be eligible, employees may be full time or part time and must have been on the District’s payroll for 30 calendar days. Upon return to work, the employee will be returned to his or her position subject to FMLA provisions.

Military Family Leave Entitlements. An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

West ISD Employee Handbook

Revised August, 2020
FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are different from the FMLA definition of “serious health condition”.

**Benefits and Protections.** During FML, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

**Eligibility Requirements.** Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

*Special hours of service eligibility requirements apply to airline flight crew employees.

**Definition of Serious Health Condition.** A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.
Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer’s operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the District’s normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FML—when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer’s normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees’ rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FML and the amount of leave counted against the employee’s leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.
FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.

Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period from July 1 through June 30.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The District will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the District are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The District does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

District Contact. Employees that require FML or have questions should contact the business office for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee’s notification of need for extended absence due to the employee’s own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician’s
statement confirming the employee’s inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present evidence of fitness to work.

When an employee is ready to return to work, the Human Resources Department should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician’s statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers’ Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers’ compensation weekly income benefits if the absence exceeds seven calendar days. Workers’ compensation is a state-regulated insurance that pays reasonable medical costs and may pay income benefits to replace part of the wages lost because of an on-the-job injury.

An employee receiving workers’ compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers’ compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers’ compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person’s age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers’ compensation benefits. Upon investigation the District may
change the assault leave status and charge leave used against the employee’s accrued paid leave. The employee’s pay will be deducted if accrued paid leave is not available.

**Bereavement Leave**

Employees may use state and/or local leave for the death in the immediate family.

**Jury Duty**

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service and shall be allowed to retain any compensation they receive for this service.

**Other Court Appearances**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

**Military Leave**

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave for authorized training or duty orders. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the District to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the District will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the time specified by law to Superintendent’s office. In most cases, the length of federal military service cannot exceed five years.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Business Office for details on eligibility, requirements, and limitations.
Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at Board of Trustee meetings, in the District newsletter, and through special events and activities. Recognition and appreciation activities also include service awards that are awarded at the year-end luncheon.

Complaints and Grievances

*Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board of Trustees has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the Board of Trustees. For ease of reference, the District’s Policy DGBA addresses employee grievances and can be reviewed at http://pol.tasb.org/home/index/868.

- Maintain confidentiality in all matters relating to students and coworkers.

See *Reports to the Texas Education Agency*, in the Termination of Employment section of this handbook for additional information.

Discrimination, Harassment, and Retaliation
*Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to immediately report such incidents to the campus principal, supervisor, or Title IX Coordinator. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the Superintendent. A complaint against the Superintendent may be made directly to the Board of Trustees. If the report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

The District’s policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be found at Policy DIA - http://pol.tasb.org/home/index/868.

Harassment of Students
*Policies DF, DH, FFG, FFH, FNG*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student’s parents and promptly investigated. An employee who knows of or
suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See Reporting Suspected Child Abuse, and Bullying, for additional information.

The District’s policy that includes definitions and procedures for reporting and investigating harassment of students can be found at Policy FFH (Local) - http://pol.tasb.org/home/index/868.

In accordance with Title IX Regulations released on May 6, 2020, the Title IX Coordinator possesses the authority to initiate and coordinate the District’s response to a report of sexual misconduct against a student. Reports may be made to the Title IX Coordinator at any time, during business and non-business hours, in person, by mail, telephone, email or any other means. Sexual harassment is defined as quid pro quo harassment by an employee; unwelcome conduct that is so severe, pervasive, and objectively offensive that it effectively denies a person access to an education program or activity; or conduct that meets the definition of sexual assault, dating violence or stalking under federal law. A sexual harassment report to any elementary or secondary school employee shall place the district on notice of the allegation and triggers the District’s responsibility to respond. The District shall offer non-disciplinary, non-punitive services to a complainant to preserve equal access to educational services and not unreasonably burden the other party. The Title IX Coordinator must promptly contact a complainant to discuss available supportive measures and the process to file a complaint. Upon receipt of a formal complaint, the Title IX Coordinator will provide notice to all known parties, including a description of the grievance process, the rights to an advisor of their choice and the right to inspect evidence.

An investigation during a grievance process must:
1. Place the burden of proof and responsibility to gather evidence on the school district and not on the parties;
2. Present an equal opportunity for parties to present witnesses and other evidence;
3. Permit parties to discuss allegations under investigation and gather relevant evidence;
4. Provide parties with equal opportunity to have others present during any grievance proceeding;
5. Provide written notice of all hearings, interviews, or other meetings to any involved party with sufficient time for the party to prepare;
6. Provide equal opportunity to both parties to inspect and review evidence obtained as part of the investigation (including evidence which the institution does not intend to rely on), and send to each party the evidence at least 10 days before completion of the investigative report;
7. Create investigative report that summarizes relevant evidence and send a copy of the report to each side 10 days prior to any hearing or other time of determination regarding responsibility to permit them an opportunity to send a written response.

The District will keep confidential the identity of any complainant, respondent, or witness. The District prohibits retaliation against any individual for the purpose of interfering with Title IX rights or because an individual has made a complaint or been involved with a Title IX investigation.
Reporting Suspected Child Abuse

Policies DF, DG, DH, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student’s or minor’s development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student’s or minor’s development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student’s or minor’s mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to the Texas Abuse Hotline ([800] 252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the District is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee’s failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee’s failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators’ Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of
child abuse and neglect. Interference with a child abuse investigation by denying an interviewer’s request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The District has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at https://www.westisd.net/pdf/district_reports/ChildSexualAbuse.pdf As an employee, it is important for you to be aware of warning signs that may indicate that a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in Reporting Suspected Child Abuse.

Reporting Violations of Law

Policy DG

The Texas Whistleblower Act protects employees who make good faith reports of violations of law by the District to an appropriate law enforcement authority. The District is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Technology Resources

Policy CQ

The District’s technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the District.
- Does not unduly burden the District’s computer or network resources.
- Has no adverse effect on job performance or on a student’s academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.
Employees are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Superintendent.

**Personal Use of Electronic Media**

*Policy DH*

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites, editorial comments posted on the Internet, and social network sites. Electronic media also includes all forms of telecommunication, such as landlines, cell phones, and Web-based applications.

As role models for the District’s students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee’s use of electronic media interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page, including content added by the employee, the employee’s friends, or members of the public who can access the employee’s page, and for web links on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.

**Mass Emails**

(E-mails sent to everyone on the campus or in the District)

Any non-school email message that you would like to send to everyone on your campus, or to all campuses, must be approved by your principal or director. Please send a copy of your E-mail to him/her for approval prior to sending to campus addresses.

**Use of Electronic Media with Students**

*Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the District. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the District through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or
nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student’s parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee’s communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- **Electronic media** includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). **Electronic media** also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

- **Communicate** means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee’s personal social network page or a blog) is not a communication: however, the employee may be subject to district regulations on personal electronic communications. See **Personal Use of Electronic Media**, above. Unsolicited contact from a student through electronic means is not a communication.
