

A SyCamore Lion Bots VEX Robotics Team Sponsored Event

Mystery STEAM

Summer Camp for the Curious

Brought to you by Ms. Berry, Mrs. Burke
and the SyCamore STEAM Team

June 1st-5th

9am - 1pm

Students bring lunch.

Early Registration \$100 per student

Regular Registration \$125 after April 1st

Crack the Case:

A missing heir, money, power, and mystery. What happened? Students will study blood and fiber samples under a microscope and analyze handwriting and fingerprints as they work at solving this engaging "whodunit" that relates to biology, chemistry, and physics.

Movie Making Magic:

Ever wonder how some of your favorite cartoons and movies are created? Students will explore the world of Stopmotion animation, experiment with computer animation, and become mystery movie directors. Maybe they will be the next great Hollywood film director.

Become an Art and Engineering Extraordinaire:

Students will have the chance to design, engineer, and create some extraordinary works of art using more than just your "usual" art supplies. Lego and VEX Robotics, Slime, Color Dye...their imagination is the limit.

Online Payment can be made at:

<http://bit.ly/37QsPGF>

Or Scan the QR code

Final Registration Deadline is May 15th.

Refund Policy: Registration fee minus \$25 may be refunded prior to May 1st. There will be no refunds after May 1st.

Please complete the bottom portion of this form and return it to school to register.

(Further details regarding camp will be emailed to you in May.)
