

March 17, 2020

Greetings Parents & Guardians:

As you well know, Orange Grove ISD classes are not in session this week along with many other school districts that are not in session across the state. The health and safety of our school community continues to be of utmost importance. Equally important is our concern on how to best continue to provide our students the education that we are entrusted to provide on a daily basis while safeguarding their health and well-being.

And with this thought in mind, Orange Grove Junior High School is putting forth efforts to provide quality instruction via various modes of communication during our time away from school. An assignment sheet for all grade levels and links for each grade level core subjects can be accessed by going to our district website at [ogisd.net](http://ogisd.net), then clicking on the Junior High link and the links will be located under News and Announcements. In the event you can't access online resources, you make pick up paper copies of your child's assignments by calling Orange Grove Junior High to schedule a time for pick up. If you are unable to print the assignments, but can view them from a device your child will be able to write the answers on notebook paper and bring that to school upon return. Please ensure that your child returns their completed assignments upon our return to school.

Also enclosed in this correspondence, you will find information on how to access online instructional programs. If you have any questions regarding your child's work you may communicate with your child's teachers via email which can be found on our website.

\*email Ms. Coker or Mrs. Sanchez if you need your child's username

Please continue to practice responsible habits and activities related to maintaining personal health: washing hands frequently with soap and water, staying home when sick, covering your nose and mouth when coughing and sneezing, social distancing, and monitoring symptoms.

Go to the Department of State Health Services site at: <https://www.dshs.texas.gov/coronavirus/> for additional information.

Respectfully,

Orange Grove Junior High

Kenneth O. Dykes, Principal
