

Summer Reading

Mr. Carney

READ180

Students are required to read a novel of their choice over the summer and complete the packet while reading. Packets will be collected the first day/week of school. Students should read a book based on their interest and reading lexile. They should not select a book 100 points over their current lexile, however student can select a book below their lexile level. To find the lexile numbers of books, parents and students may use the following websites:

Lexile.com: <https://fab.lexile.com/>

Scholastic Book Wizard: <https://www.scholastic.com/teachers/bookwizard/>

If students or parents have any questions, they can email me over the summer. I will be checking my email periodically jcarney@mainlandregional.net
