We have a very efficient budget. All programs maintained. The 09-10 budget supports quality programs.

The papers report less than 10% of students failing.

Our QSAC rating is exemplary.

We have done all with very low tax increases. The K-5 program is strong.

43% minority 20% economically disadvantaged. Per pupil spending 2nd out of 105. Our money goes to instruction.

We are 21st from bottom for administration.

In this economy we must work harder and smarter. Education must adapt to current economic realities.

3.3 million was reduced out to the 25% we control. Our host municipalities have been strong supporters.
