Counseling Corner

Dr. Christy Kane presented at our youth protection seminar last week. She left us with some great tips for balancing our lives with electronics.

- Yoga: Help kids learn to meditate and emotionally regulate
- Music: teach your kids to play a musical instrument
- Spiritual Experiences: help your kids identify what is important to them
- Deep Conversation: put down all the electronics and talk
- The Process of memorization: challenge each other in memorization activities
- Increasing tactile activities: paint, draw, chop wood, Lego, work on a car, underwater basket weaving
- Exercise: 30 minutes aerobic activity per day
- Nature Walks: Leave the electronics at home

Box Tops

- Please send in your box tops between now and February 22nd. We are having a class competition. The class with the most counted wins a classroom party.
