

## Penn Yan Education Association Student Experience Sponsorship Directions/Scoring Rubric

The Penn Yan Education Association will award sponsorships up to \$100 to any student in the PYCSD. The money will be given directly to the winners and may be used to defray any expenses related to participation in school or non school activity for which family contribution is required.

Students or their parents are asked to complete the application on [google forms](#). Applications will be looked at on the first or second Wednesday of every month.

A committee will evaluate each request and approve awards based on the criteria in the rubric below.
