

# HOW TO ACCESS STATE ASSESSMENTS ON 'Q' PARENT PORTAL

STEP ONE: Login to Parent Portal at <https://sis.pleasantonusd.net/ParentPortal/>

The screenshot shows the Parent Connection login page for Pleasanton Unified. The page has a header with the Pleasanton logo and navigation links for Home, FAQs, and District Website. The main content area is divided into two columns. The left column contains a login form with fields for PIN and Password, a Log In button, and a Reset Your Password link. Below the login form is a District Links section with categories for Online Registration Help, Important Information, and Student Calendar. The right column features a 'Welcome to Parent Connection' message, followed by two red-headed sections: 'What do I do if I don't have my PIN and password?' and 'What do I do if I don't see all of my students?'. The bottom of the page has a footer with the slogan 'The Window Into Your Student's Day at School'.

## Welcome to Parent Connection

**What do I do if I don't have my PIN and password?**

Please contact your student's school registrar or counseling office for your PIN. If you use a computer, instead of a phone or tablet, you can set or change your password, if Q has your current email address and it's not shared by another contact in Q. Just click on the "Reset your password" link right under PIN and password boxes. You'll be prompted to enter your email address. A link to Reset your password will be emailed to you. If you are still experiencing problems logging in, please contact your student's school site for additional assistance.

**What do I do if I don't see all of my students?**

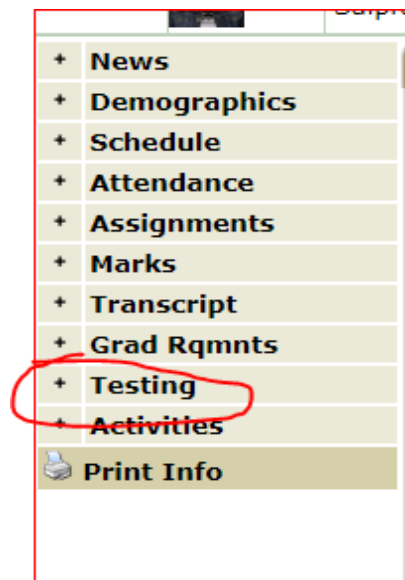

This means there is a problem with the way your information was entered into Q. Contact the school first and if you can't reach them, contact Q Help with the names and student ID numbers of your students. The email address for Q Help is [qhelp@pleasantonusd.net](mailto:qhelp@pleasantonusd.net)
