

Discounted Student Laptops configured for Rutherford County School Use

Dell, INC is allowing Rutherford County Students/Families to purchase student devices at a discounted price. Purchasing a student device is completely **OPTIONAL** as each core middle school classroom at TFAA will be 2:1 this school year. To receive this discount, use this link: <http://www.dell.com/RutherfordCountySchools>

This link will welcome you as a Rutherford County member. Click on “Shop Your Standard Configuration.”

Two models used at TFAA are the Latitude 3180 and Latitude 3189 touch. These are the discounted devices, however any device purchased for student use is welcomed by our school.

Once you add the laptop to your cart, you will see the discount provided.
