From the desk of Mrs. Baessler, Principal

I want to extend a warm welcome to all our students, staff, and parents. I am truly excited to be your principal! I feel confident that we will have a terrific year of learning and fun. I am very enthusiastic about the upcoming year and have enjoyed speaking with many of you during the first month of school.

We have a tremendously talented staff this year and along with your support at home, success is always attainable. Please feel free to contact us with questions or issues.

Rocket Romp Third Annual Carnival and Read-a-thon: At the end of September we will kick-off the Rocket Romp festivities for the year. Rocket Romp is our ONE fundraiser for the year. We hope the kids are super excited about the coming event, and we hope you will assist us by collecting sponsors for our read-a-thon that will take place during the day before the carnival that night. The funds absolutely go to great use for the STUDENTS and it allows us to do things that would never be possible without the Rocket

Romp donations. Thanks so much, in advance, for your support in this and all school endeavors.

We are so lucky to have such great parents and grandparents at our school. Thank you for being so supportive these first few weeks. "The Battle of the Bridge Can Drive" was a great success. We had collected over 1,000 cans good to donate.

From Mrs. Hattley, Vice-Principal

Thank you for such a great start to the year. You have been great regarding our safety procedures. We are trying to do what is best for the students and we are so thankful for each one of you and your patience. Remember if you can ever help with the sidewalk in the morning it really keeps that traffic moving, especially when our safety patrol leaves around 7:50.

Just a reminder about attendance. Make sure you turn in your doctor's notes or

have them faxed to the school. Also, seven tardies add up to one day out of school. This also includes being picked up early in the afternoon.

Parent Pick-up Help: If you have a child already in a car seat in your car it would be great if they not sitting on the sidewalk side. It is dangerous for the child to walk behind or in front of the car to get to the other side. We walk them around to the other side of the car, but it takes longer and

holds up the line. Also, if they need help putting the seatbelt on could you pull over to do this so traffic can keep moving. Please leave the yellow name card hanging until you are all the way through the line.

It is good to check the planner each night and pay close attention to assignments and test. Friday notes from the teacher will have a great deal of important information. Keep good communication with the teacher.
