

Fine Arts Society (FAS)

The Fine Arts Society (FAS) is the booster club for the Visual and Performing Arts Department. The purpose of the FAS is to support all of The Burlington School Visual and Performing Arts programs and enable our students to provide performances and events for our community. This organization encourages our young artists to transform their passion into purpose and make a difference in their community through artistic expression. In addition, parent volunteers provide hands-on support to our faculty and students in every arts discipline. Our enthusiastic parents and supporters play an integral role in the learning and success of our student artists.
