- Welcome
- Approval of Minutes
  - September Minutes Approved
- Spending Update:
  - The status of the budget was reviewed and approved.
- Swivl:
  - The council decided Swivl training should be held and a schedule for using this tool developed to encourage its use.
- Online Safety:
  - March 31<sup>st</sup> is the NetSmartz Assembly
  - It was decided Linda should get Online Safety Posters for the Computer Labs.
  - We would also ask Student Government to add tips for online safety to their morning announcements.
- Safety:
  - We need to encourage parents to pull forward so more students can be dropped off at the same time in the morning.
  - Linda will send out a PeachJar letter reminding parents to pull forward, use the crosswalks, and exercise extra care with winter driving. Suggest parents coming from the north to drop off their students could drop students off on the west side of Broadway before the crossing guard, and then those students could cross with the crossing guard. This would help with congestion.
- Teacher Survey:
  - Trustlands Needs Assessment will be given to teachers and compiled before the January 31<sup>st</sup> meeting
- Adjourn
- Next Meeting: Tuesday, January 31, 2017 @ 7:00 p.m.
