

# STUDENT PARKING INFORMATION

## 2018-2019

### **How to obtain a parking permit:**

Student parking facilities are limited; therefore, parking privileges are restricted and issued on a need basis. A parking fee of \$75.00 will be assessed for the full year. Permits may be purchased for a full year **only**. Cash, check or credit card will be accepted. Checks must be payable to CHSD218 and should accompany all applications.

1. First priority will be given to students participating in the Cooperative Training Program.
2. Second priority will be given to seniors showing a definite need to drive. A letter should be presented from a parent/guardian along with the parking permit application explaining the situation. When need is job related, the letter must contain the name and address of the place of employment and the name and phone number of the immediate supervisor.
3. Other requests for parking assignments will be reviewed with seniors having priority over juniors and sophomores.
4. Driving applications for students living less than one mile from school will not be ordinarily considered.
5. Applications may be obtained from the Security Office.
6. A signed copy of the parking regulations must be attached to all applications.
7. Students wishing to drive an automobile to school must have a minimum grade point average of 2.0.

**WARNING: UNAUTHORIZED VEHICLES WILL BE TOWED AT THE OWNER'S EXPENSE.**
