### **FULL DAY SUPERVISION**

Full day programs may be offered during school breaks through the PV Kids' Corner Program, pending space availability. Separate registration and payment is required for all students for each full day program. Registration forms will be available one month in advance, and PV Kids' Corner centers will be combined for these programs. Enrollment is limited and is offered pending adequate enrollment for each full day program.

To register your student for a PV Kids' Corner full day program, complete the appropriate registration form and return it with payment in full to the Teen Scene business office no later than the specified deadline. Students must be pre-registered to attend a full day program. All full day program fees are non-refundable and non-transferable once a student is registered. No refunds, credits or adjustments will be given in case of absence or cancellation. If PV Kids' Corner cancels any full day program due to low enrollment, all monies paid will be refunded in full.

Enrollment for full day programs covers the entire time from 6:30 a.m. to 6:30 p.m. No refunds, credits or adjustments will be given for attending less than the full day. Students must bring a ready-to-eat sack lunch and a beverage on full day program days. If a student does not have a lunch, the parent will be contacted to provide one.

### **HOLIDAYS and BREAK PERIODS**

#### **Break Periods**

School break programs may be available through the PV Kids' Corner Program for an additional weekly charge, pending space availability. Separate registration and payment is required for all students for each school break program. Registration forms will be available one month in advance, and PV Kids' Corner centers will be combined for these programs.

Enrollment is limited and is offered pending adequate enrollment for each school break program. If PV Kids' Corner cancels any school break program due to low enrollment, all monies paid will be refunded in full.

No program is offered during the final week of summer, before school re-opens for the new fall semester. This allows time for staff training and center set-up.
