**Sessions
Organized to
Access
Resources**

January 2019

***Sessions offered during the school day, such as the November 15 PLC day, do not count towards RCS required PD credits; however, they can be used as evidence on the professionalism rubric.

Joint Coaches PD:

January 24th 2019

3:55-5:25 p.m.

Session Title: *Blended Learning - Using Technology to Differentiate Learning in Student-Centered Stations*

Session Descriptor:

Would you like more time to meet with small groups? Create a deeper relationship with students? This session will provide teachers with practical ideas for easy management of station rotation. Learn to integrate a variety of free technology tools that actively engage students and place accountability on students for their own learning. These strategies differentiate instruction, allow students to learn at their own pace, and help teachers gain vital instructional time for application of learning.

Technology Coach PD:

January 14th 2019

3:55-4:55 p.m.

Session Title: *Flipgrid-Amplifying Student Voice (Motivating Students with Audio & Video)*

Session Descriptor: Learn

how to use Flipgrid video response tool to engage your students and promote student voice. In this session, we will explore grids, topics and special features that will connect your classroom to the world. Flipgrid is great for blended and personalize learning and increasing student engagement and motivation.

January 30th 2019

3:55-4:55 p.m.

Session Title: *Basic PlayPosit: Make Video Interactive for Students*

Session Descriptor: Learn how to use Playposit to engage students, create self-paced lessons, and place accountability on students for their own learning. Playposit allows you to embed video from YouTube and many other sites or upload your own and then insert multiple types of questions into the video. Students can access the videos across any device, at their own pace, and you get the data. Perfect for teachers looking to develop blended and/or flipped lessons.

Instructional Coach PD:

January 7th 2019

TBA

Session Title: *New Year - New You! (New Year Room Makeover, Clarify Your Core, Kind Reminders)*

Register Here

LIVE PD: Questioning: Using HOW and WHY

Jan 16th, 2019

LIVE PD: Academic Feedback

Jan 23rd, 2019

LIVE PD: The Reflective Teaching : Using a Teacher Report Card

Jan 30th, 2019

*Live PD is available during ALL 3 Lunches.

January 28th 2019

Before/After School

Session Title: *Lesson Closure: Beyond the Exit ticket*

At a great teacher's core lies the desire to know what the students know/learned. In this session, participants will explore the following: making student-based decisions on lesson closure, learning from the student feedback, and using student feedback as next steps to your instruction.
