Questions about Social Media?

Not sure the latest movie releases are appropriate for your child?

Your child wants the latest video game but you're not sure?

Check out Common Sense Media!

[www.commonsensemedia.org](http://www.commonsensemedia.org)

The site rates new theater releases, DVD releases, and websites by age appropriateness. There are great articles on social media, explanations of parental controls, and reviews by kids and parents. There is a section on books, apps & games, advice for parents, and articles in Spanish. The parent portal can also be customized to your child's age.

There is even a section for research with the latest research of children's use of media and technology and the impact it has on their physical, emotional, social, and intellectual development.

### MINIMUM DAYS FOR CONFERENCE WEEK
