

Attention Parents, Students, and Staff:

School will be starting before we know it. This year we will be parking **all buses on the EAST side** (Main Office) of the school this year. We ask that all students and staff park on the west side of the school in our new parking lot. Also, we ask that all **parents drop off** students in the morning and **pick up after school** on the **WEST side of the school**. This will help with parents not passing our school buses while their lights are on.

Please remember to stop for pedestrians at our **Crosswalk** on the West Side of the school .

During the school day all parents who come to pick up students from preschool or for appointments, and all other visitors, will still need to park and enter on the East side of the school through the vestibule.

Thank you,
