

**Exciting
News!**

Through the generous donation of a friend of DDI, a miniature golf course will be built at the Hollywood Drive campus in Smithtown. The golf course will replace the playground adjacent to the Avalon residence and be open to both CDP and CRP students. This project will bring new recreation opportunities for the children while preserving our beloved garden, which was planted in memory of Rae Gulizio.

Construction of the course is scheduled to begin this summer.

Stay tuned for updates!
