

Jonas Zacharias

I would like to nominate Jonas for May Student of the Month! Jonas represents what I believe a fantastic example of a Jones student. Jonas works very hard on everything he does. In Art ACEs, Jonas is always achieving more than what is asked of him. He begins helping before class even starts by cleaning and sweeping up after the earlier classes. When class begins, Jonas is a leader by example. He dedicates his class time to doing his very best at his art projects and he is quite talented at drawing and design in particular. You might recognize some of Jonas' artwork by the inclusion of one of his favorite characters, Sonic the Hedgehog.

Jonas is able to handle many different aspects of student life at Jones while maintaining excellence in the classroom. Jonas is always polite and respectful of others. He is outstanding as both a student and as a citizen of our school community. He follows school rules and is never late to class. Jonas represents what I believe a fantastic example of a Jones student. Jonas works very hard on everything he does and deserves to be recognized.
