**Minutes from September Meeting**

The September minutes were unanimously approved with a motion from Jolene Mulford and a second from Ann Staley.

**Budget Update**

Angie Gillette received an email right before the meeting with the budget numbers. As of October 1, 2017, there are 706 students enrolled. The school has \$68,208 and \$15,390 carrying over from the previous year. However, two things to take into account are \$11,000 spent to purchase iPads and the September 2017 salaries had not been calculated into the total.

**Data Update**

Beverlee Bunderson presented the data from DIBLES testing. She showed pie graphs of the composite score of how each grade tested at the beginning, middle, and end of the 2016-2017 school year. Then she showed how each grade performed at the beginning of this year.

**Health/Fitness Plan**

Angie Gillette went over the Willow Fitness Plan written by Melinda Firth. The focus for the school year is personal responsibility. Faculty and staff are also tracking how many steps they take.

**Community Council Trainings and Fall Final/Progress Report**

Angie Gillette went over the report that is due October 20, 2017. She will submit it on October 19, 2017.

**Other**

None

**Adjourn**

The meeting was adjourned at 4:55 p.m. with a motion made by Elizabeth Smith and a second by Jolene Mulford.
