March 16, 2020

Dear Center Line Families,

Your children and their education are critically important to us. We have posted information on a suggested schedule for our elementary children to follow as well as opportunities for our secondary students on our website (http://www.clps.org/apps/pages/Coronavirus). We ask that you encourage your children to engage in their learning by using the resources linked to the schedule/plans.

Our teachers will be getting together on Wednesday 3/19 to continue the development of the plan online, and we will provide some resources for students at the food bus drops, so that ALL students have access to learning. Our teachers are available to assist our students through email and will continue to work remotely to ensure learning for all students. Please review the following critical information as we begin the first week of closure for all of our schools.

**Patients with confirmed infection have reportedly had mild to severe respiratory illness with the following symptoms:**
- Fever
- Cough
- Shortness of breath

**The best prevention for viruses, such as influenza, the common cold, or COVID-19, is to do the following:**
- Wash your hands often with soap and warm water for 20 seconds. If not available, use hand sanitizer.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Cover your mouth and nose with a tissue or upper sleeve when coughing or sneezing.
- Avoid contact with people who are sick.
- Replace handshakes with elbow bumps.
- Stay at least 6 feet away from others when in a public setting.
- If you are sick, stay home, and avoid contact with others.
- If you think you have been exposed to COVID-19, call your health care provider. If you do not have a health care provider, call the nearest hospital.

**Information around this outbreak is changing rapidly.** The latest information is available at www.michigan.gov/coronavirus and www.cdc.gov/COVID19. Links to these sites and other resources are available on the CLPS website as well.

The situation is evolving every day, and we will be sharing updated information as quickly as possible.

Sincerely,

Eve Kaltz
Superintendent
