Parent's Right-to-Know Letter

Dear Parent/Guardian,

At Concordia Parish Academy, we are very proud of our teachers and feel they are ready for the upcoming school year and are prepared to give your child a high-quality education. If you would like to know about the teacher's certification, please do not hesitate to ask.

Some things you might be interested in:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.
- All information is available via the Louisiana Department of Education's website.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact us at 318-757-2135.

Sincerely,

Nancy Anders

We will become independent life learners with the skills and competence to become members of a dynamic learning community.
