

SUPPORT C.C. WRIGHT ELEMENTARY SCHOOL BY DONATION:

This year, our school will be participating in the Box Tops for Education™ program. My name is Debbie Harrold and I'm thrilled to be the Box Tops Coordinator for C.C. Wright Elementary. Clipping Box Tops is an easy way for you to help our school buy what it needs. Box Tops are each worth .10 cents and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$1,000.00.

To help our school, just look for pink Box Tops on products, clip them, and send them to school. For more information on Box Tops for Education program, including a list of participating products and our school's progress, visit [www.BTFE.com](http://www.BTFE.com). Be sure to become a member to receive exclusive coupons and learn about extra ways for our school to earn.

I Hope you're excited for everything we can do this year with Box Tops! If you have any question, please don't hesitate to contact me at [Harroldd@wilkes.K12.nc.us](mailto:Harroldd@wilkes.K12.nc.us). I'm here to make our school's Box Tops for Education program a huge success this year.

Thanks for your help!

Started in the foothills of North Carolina, CAN-Do Recycling is a grass roots recycling program that promotes a natural community fundraising effort. Designed to be a school project that everyone can participate in, all you need is a CAN-DO attitude. Donate aluminum cans to C.C. Wright. They are counted and given to the classroom you request.
