Pupil/Parent/Employee Annual Notification

Committed to Excellence

August 2019

Dear Parents:

Welcome to the new school year. Gonzales Unified School District is proud of the accomplishments and quality of our fine schools and is continually working to raise standards for pupil performance.

Good schools contribute to a good community. Our Board of Education, teachers, administrators, support staff, and parents share high expectations for pupil achievement and are committed to quality instructional programs that teach the state standards and meet the needs of all pupils. We are equally committed to professional development for our staff, a learning environment that welcomes the parents and community into our schools and a home/school partnership that serves as the foundation of our success.

An important factor in pupil achievement is the support and direction that parents give to their children. A partnership where the parents support the learning environment offers the best opportunity for children to succeed. We urge you to become informed about all of your child's activities at school.

Please read all of the enclosed material and review it with your child so that you can benefit from the services provided by the Gonzales Unified School District.

The District has taken a strong stance on such things as appropriate student conduct, discipline, attendance, dress code, we particularly encourage you to discuss with your child the District's requirements in these areas. This District is committed to maintaining open lines of communication. Please feel free to contact me at (831) 675-0100.

We wish your child a great success this coming year. We will make every effort to be an active partner with you in your child's education.

Sincerely,

Yvette M. Irving
Superintendent

As the parent of a pupil you have many rights and responsibilities. This booklet talks about many of those and laws, policies and statutes which cover them. We suggest you read it. We must get the signed form returned or your child may not be able to attend classes. This page talks about when your child is absent from school. Only in certain cases is it permissible for a pupil to miss school.

Teachers build your child's education one day at a time, so every day is essential. In elementary, middle, and high school, moving ahead, or even graduation, can be put in jeopardy if too many days are missed. Work with the teacher when a child must miss school. Get homework assignments and review work. There is only one chance to get a great education.

PARENTAL INVOLVEMENT POLICY

The school shall jointly develop with, and distribute to, parents of participating children a written parental involvement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of parental involvement.

The Policy shall describe and include;

- The involvement of parents in the policy
- The school-parent compact that are jointly developed with and distributed to parents
- The building capacity for involvement of parents in the LEA and school
- The accessibility and opportunities for all parents, including Limited English Proficiency, parents with disabilities, and parents of migratory pupils
- The implementation of the school level parental involvement policy

■ District and School Parent Involvement Opportunities

The district and each school will provide multiple opportunities for parents to participate on various committees to address the needs of all pupils and to communicate the progress of each committee. The following committees would appreciate your participation (Please contact your school office for more information):

- School Site Council (SSC)
- English Learner Advisory Council (ELAC)
- District Advisory Committee (DAC)
- District English Learner Advisory Council (DELAC)
- Parent Teacher Advisory Council (PTAC)

■ Parents of English Learner Pupils

In addition, the parents of limited English Proficient (English Learner) pupils participating in a language instruction program shall be notified, not later than 30 days after the beginning of the school year, of the following:

- the reasons for the identification of their child as limited English proficient and in need of placement in a language instruction educational program;
- the child's level of English proficiency, how such level was assessed, and the status of the child's academic achievement;
- the methods of instruction used in the program in which their child is, or will be participating, and the methods of instruction used in other available programs, including how such programs differ in content, instructional goals, and the use of English and a native language in instruction;
- how the program in which their child is, or will be

participating, will meet the educational strengths and needs of their child;

- how such program will specifically help their child learn English, and meet age-appropriate academic achievement standards for grade promotion and graduation;
- the specific exit requirements for the program, including the expected rate of transition from such program into classrooms that are not tailored for limited English proficient children, and the expected rate of graduation from secondary school, if applicable;
- in the case of a child with a disability, how such program meets the objectives of the individualized education program of the child;
- information pertaining to parental rights that includes written guidance detailing the right of parents to have their child immediately removed from such program upon their request, and the option parents have to decline to enroll their child in such program or choose another program or method of instruction, if available, and assisting parents in selecting among various programs if more than one program is offered.

Information pertaining to parental rights to have his/her pupil placed in a program that is an alternative to Structured English Immersion or an English language mainstream classroom requires the bilingual waiver process. The alternative instructional program is likely to be some form of bilingual education that requires waiver approval granted by the School Principal and the Governing School Board. [EC 310, 311]

ATTENDANCE

■ General Absences

Children cannot learn if they are not in school. Children learn early about being on time and not missing school. Daily school attendance improves student achievement. Please ensure your child is on time and that school attendance is an important family value. For children ages 6 to 18 years, daily school attendance is compulsory.

It is also important that you know the state only awards funding to school districts for actual attendance. The state does not fund districts for the excused absences listed below. Always review the school calendar and plan activities and vacations during days off. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

Other attendance reports, such as truancy, still rely on excused and unexcused absences. There are legal consequences if your child misses too much school. You must send a note and/or phone the school within 72 hours to clear any excusable absences. Parents/Guardians have the right to be notified on a timely basis if the school discovers

your child is absent from school without permission. Unexcused absences result in a recorded truancy.

- A. Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
1. Due to the pupil's illness.
 2. Due to quarantine under the direction of a county or city health officer.
 3. For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
 4. For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 5. For the purpose of jury duty in the manner provided for by law.
 6. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.
 7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 8. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 9. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 10. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
 11. Authorized at the discretion of a school

administrator, as described in subdivision (c) of Section 48260.

- B. A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- C. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- D. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- E. "Immediate family," as used in this section, means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil. [EC 48205, 48205.5, 48260]

Districts may allow students, with parental or guardian consent, to be excused to participate in moral or religious exercises or instruction. [EC 46014]

■ 95% Attendance Requirement

Pupils must maintain a 95% period attendance rate each quarter. All absences/tardies, excused and unexcused, are considered for attendance rate purposes. Two tardies are considered one period absence. As soon as a pupil's attendance rate drops below the required 95% period attendance rate, he/she loses the privilege of participating in school-related activities for that quarter (sports, clubs, dances, field trips, prom, graduation, and other activities designated by school administration). This loss of privilege continues into the following quarter until the time is made up. If a pupil becomes ineligible in the spring, he/she will also be ineligible the next fall until the time is made up. (All freshmen are eligible their first quarter at GHS.) Ineligibility will continue as long as a pupil's period attendance rate is below 95%.

In grades 6-8 a pupil may make up missed periods by attending Saturday school (if offered). One hour of Saturday school will equal one missed period in grades 6-8. However, a pupil's eligibility will only be reinstated once in a quarter. If a pupil falls below 95% more than once in a quarter, the pupil will remain ineligible until the beginning of the next quarter. Saturday school must be attended to regain eligibility for next quarter. Under extreme circumstances a pupil may request an appeal to the Principal the second time he or she becomes ineligible in a quarter.

■ **Minimum Days/Pupil Free Staff Development Days**

If your child will be affected by minimum days or staff development days, we will give you at least one month notice. The dates that were known at press time are printed in the calendar in this booklet. [EC 48980]

■ **Closed Campus at Gonzales High School**

Gonzales High School is a closed campus. The Gonzales High School campus will be closed and secured for student and staff safety. All gates, except the parking lot gate, will be locked from 8:00 to 3:05.

Expectations: Pupils are to arrive on campus no later than 7:55 a.m. when the warning bell for First Period sounds. Pupils are to be in their classrooms and seated by the 8:00 a.m. bell and will remain on campus until the final bell at 3:10 p.m. unless their schedule indicates otherwise. Pupils may only leave campus during the school day if they have permission from the school or are signed out by a parent. The parent must physically appear in the attendance office to check out a pupil for any reason other than a verified medical appointment.

“The governing board of the Gonzales Unified School District, pursuant to Section 44808.5 of the Education Code, has decided to permit pupils enrolled at Gonzales High School to leave the school grounds during the lunch period. Neither the school district nor any officer or employee thereof shall be liable for the conduct or safety of any pupil during such time as the pupil has left the school grounds pursuant to this section.” “Privileged pupils” will be allowed to leave campus on Mondays, Tuesdays and Wednesdays only. Off campus passes will be issued each quarter through Homerooms.

“Privileged pupil” is defined as a 10th – 12th grader who is on the Privileged List (95% attendance or higher) with no D’s or F’s in the preceding grading period. 9th graders will not be allowed to leave campus at all.

All privileged pupils receiving an off campus pass must maintain passing grades (C or better) and a clear attendance and discipline record throughout the quarter. Off campus passes can be revoked at any time during the quarter based on poor attendance or discipline concerns as determined by administration. Parents may request that their son/daughter’s off campus pass be revoked.

If a pupil loses the pass he/she will be charged \$10.00 for a replacement. [EC 44805.5]

■ **Attendance Options**

The governing board annually reviews attendance options including how students may attend a district school outside their attendance area (intra-district transfer). This district has non-arbitrary rules explaining how students

may apply, be accepted or denied intra-district transfer. Many districts, by agreement, also allow the transfer of students from or to other districts (inter-district transfer). Victims of bullying or violence are given preference in inter-district transfers. In some cases, the district must provide transportation. Students attending “persistently dangerous” schools can transfer and enroll in a safe school. Districts cannot prevent children of active military from changing districts, as long as the district chosen agrees to accept them. Upon enrollment or transfer, principals are urged to check missing children information. Further information about residency, attendance options, special program options, etc. will be provided by the California Department of Education. [EC 46600, 48204, 48206.3, 48300, 48301, 48306, 48980, 49068, 51101; 20 USC 7912]

I. Intradistrict Open Enrollment

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of district students. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation.

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of residence within the district.

The Board shall annually review this policy.

Enrollment Priorities

Priority for attendance outside a student’s attendance area shall be given as follows:

1. If a district school receiving Title I funds is identified for program improvement, corrective action, or restructuring, all students enrolled in that school shall be provided an option to transfer to another district school or charter school.
2. If while on school grounds a student becomes the victim of a violent criminal offense, he/she shall be provided an option to transfer to another district school or charter school.
3. If a student attends a school designated by the California Department of Education as “persistently dangerous,” he/she shall be provided an option to transfer to another district school or charter school.
4. The Superintendent or designee may approve a student’s transfer to a district school that is at capacity and otherwise closed to transfers upon finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area, including, but not limited to, threats of bodily harm or threats to the emotional stability of the student.

To grant priority under these circumstances, the Superintendent or designee must have received either:

- a. A written statement from a representative of an appropriate state or local agency, such as a law enforcement official, social worker, or a properly licensed or registered professional, such as a psychiatrist, psychologist, or marriage and family therapist
 - b. A court order, including a temporary restraining order and injunction
5. Priority may be given to siblings of students already in attendance in that school.
 6. Priority may be given to any student whose parent/guardian is assigned to that school as his/her primary place of employment.

For all other applications for enrollment from outside a school's attendance area, the Superintendent or designee shall use a random, unbiased selection process to determine who shall be admitted whenever the school receives admission requests that are in excess of the school's capacity. A school's capacity shall be calculated in a nonarbitrary manner using student enrollment and available space.

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students.

No student currently residing within a school's attendance area shall be displaced by another student transferring from outside the attendance area.

Transportation

Except as required by 20 USC 6316 for transfers out of Title I program improvement schools, the district shall not be obligated to provide transportation for students who attend school outside their attendance area. However, upon request, the Superintendent or designee may authorize transportation contingent upon available space and funds. [BP 5116.1, May 2011; EC 35160.5, 35291, 35351, 48980; 5 CCR 11992-11994; 20 USC 6316, 7912; 34 CFR 200.36, 200.37, 200.39, 200.42, 200.43, 200.44, 200.48]

2. Interdistrict Transfers

The Governing Board recognizes that students who reside in one district may choose to attend school in another district and that such choices are made for a variety of reasons.

Interdistrict Attendance Permits

Upon request by students' parents/guardians, the

Superintendent or designee may approve interdistrict attendance permits with other districts on a case-by-case basis to meet individual student needs.

The interdistrict attendance permit shall not exceed a term of five years and shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied.

The Superintendent or designee may deny interdistrict attendance permits because of overcrowding within district schools or limited district resources.

Limits on Student Transfers out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307)

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. [BP 5117, May 2011; EC 41020, 46600-46611, 48204, 48300-48316, 48915, 48915.1, 48918, 48980, 52317]

An Interdistrict Transfer form may be obtained at the District Office or at www.gonzalesusd.net.

3. State Open Enrollment

The California Department of Education (CDE) is no longer administering the State Open Enrollment program. [EC 48350-48361, 51101]

4. Attendance Where Caregiver Resides

If your child lives in the home of a caregiving adult, as defined by law, or a foster home your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the caregiving adult is required to determine that your child lives in the caregiver's home. [EC 48204(a), 48980; FC 6550-6552]

5. Attendance in District in Which Parent/Guardian is Employed

The district may, but is not required to accept a transfer student whose parent/guardian resides outside the

boundaries of the school district but is employed and lives with the student at the place of his/her employment within the boundaries of the school district for a minimum of three days during the school week; or a student whose parent/guardian physically works within the boundaries of the school district for a minimum of 10 hours during the school week. [EC 48204(a)(7), 48980]

6. Enrollment of Homeless or Foster Youth

Foster and homeless children living in the District shall be permitted to attend a school in the District unless they:

- 1) stay enrolled at their school of origin outside the District,
- 2) their Individual Education Plan (IEP) indicates attendance elsewhere, or
- 3) the parent or guardian, with knowledge of all options, declares in writing otherwise. They also have rights to expedited enrollment in school, attend classes and programs (pending proof of immunization), and free after-school programs. In some cases, fees are waived. The school district and each school site have complete documentation of the rights of homeless and foster youth. [EC 48204, 48850-48859, 48645.3, 51225.1, 56055; 5 CCR 4622; WIC 361, 726; 42 USC 11301, 11432]

Families in Transition/Homeless

Homeless children and youth have equal access to the same free, appropriate public education, including a public preschool education, as is provided to other children and youth. If you have uncertain housing, a temporary address, or no permanent physical address, federal and California laws guarantee that your children may be enrolled in their previous school. If this describes your family's living situation, or if you are a pupil not living with a parent or guardian, please contact your District Homeless Liaison. [42 USC 11431, 42 USC 11432 (g)(6)(A)(iv)]

Individualized Instruction

You must notify the school if your child has a temporary disability and cannot attend regular classrooms. If your temporarily disabled child is located outside your school district, notify both the district where your child resides and where the child is located. Within five (5) days of notice, the district(s) will determine if the student qualifies, and within five (5) days of the determination commence instruction in the home or in a hospital or other residential health facility. The district(s) will notify you if your child qualifies, when instruction will begin and for how long it will continue. Each hour of instruction at home or in a facility will count as a full day but cannot exceed 5 days per week nor the number of days in the school year. [EC 48206.3, 48207, 48207.5, 48208, 48980]

Pregnant or Parenting Students

Pregnant or parenting students who are 18 years old or who have permission from their parent/guardian

may an excused leave for up to 8 weeks or more without having to complete school work, other requirements, or penalties. They may return to the same school and courses where they are provided time to make up work. They can attend an alternative program with access to comparable courses, programs and activities. They may have a fifth year to complete high school graduation requirements; or, if administration determines it's possible, they can complete requirements in four years. Complaints about these rights can be made using the Uniform Complaint Procedure. [EC 4600, 46015, 48200, 48980]

Truancy

The state defines three levels of truancy, each carrying more severe penalties for both the student and the parents or guardians. The three are truant, habitual truant, and chronic truant.

Truant: A student is truant after missing three days of school or three 30-minute periods without a valid excuse.

Habitual Truant: If a student is truant three or more times in a school year and an effort is made to meet with parents, then the student is a habitual truant.

Chronic Truant: A chronically truant student has missed 10 percent or more school days in a school year.

Interventions: Students who are habitually truant, miss a lot of school or are disorderly can be referred to a student attendance review board (SARB), a district attorney mediation program, or the county probation department. Through these programs the student can be given guidance to meet special needs for improving attendance or improving school behavior. The goal is to intervene before a student enters the juvenile justice system or drops out.

Student Penalties: First truancy may result in a one-day weekend class. Second truancy may be a written warning from a peace officer that remains in the student's records. Third truancy may result in assignment to an after-school or weekend program, a SARB, a probation officer, or district attorney program. A fourth truancy may result in a chance to improve attendance, but may also result in the student being placed within the jurisdiction of, and as a ward of the juvenile court. Other actions may include required community service, payment of a fine of \$100, attend a truancy mediation program, and loss of driving privileges. A finding of truancy may be handled through available community services.

Parent Penalties: In Education Code; first conviction – up to \$100 fine; second conviction – up to \$200 fine; third – up to \$500 fine. In Penal Code; parents of elementary students who are chronic truants face a fine up to \$2,000; imprisonment up to one year; or both. They may also be scheduled to meet regularly with district staff and/or referred for help. It is recommended that the parent or guardian attend classes at school with the student for one day. [EC 48260, 48260.5,

48261, 48262, 48263, 48263.5, 48263.6, 48264.5, 48291, 48293, 48320; PC 270.1; WIC 256, 258, 601, 601.3; VC 13202.7]

■ Notice of Alternative Schools

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for pupils to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the pupil learns because of his/her desire to learn. (c) Maintain a learning situation maximizing pupil self-motivation and encouraging the pupil in his/her own time to follow his own interests. These interests may be conceived by him/her totally and independently or may result in whole or in part from a presentation by his/her teachers. (d) Maximize the opportunity for teachers, parents and pupils to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the pupils, teachers, and parents to continuously react to the changing world, including, but not limited to, the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district.

Lastly, Alternative schools can provide a safe alternative public educational setting for victims of violent criminal offenses that occur on the grounds of the school that the pupil attends. [EC 58501, ne]

INSTRUCTION AND CURRICULUM

■ District Courses

Annually the District prepares curriculum, course titles, aims, and descriptions in a prospectus. The prospectus is available at each school site and may be reproduced at cost. Parents/Guardians have the right to review all course material. [EC 49091.14, 51101; PPRA]

■ Academic and non-academic courses, classes, electives, activities, sports, and related facilities

State and federal law require academic and nonacademic courses, classes, electives, school-related

activities, team sports, athletic competitions, and school facilities be available to all students without regard to their gender or gender identity, and irrespective of the gender listed in their records. Beginning in seventh grade counselors will meet with each student regarding course selection. Staff will not counsel students into programs, courses, or careers based on their gender or gender identity. The District Uniform Complaint Procedure may be used to file a complaint. [EC 221.5, 221.8, 49600, 48900; GC 11135; Title VI, Title IX; § 504; California Interscholastic Federation (CIF) 300D]

■ Student Immigrant and Religious Rights

All school age children must be admitted to California Public Schools and be offered all programs accessible to other students. School districts cannot ask about a student's immigrant status or religious practice. The state Attorney General has information about "know your rights": <https://oag.ca.gov/immigrant/rights>. Immigrant students are still considered residents of their current school district even if parents are deported or are being held in custody. [EC 200, 220, 234.1]

■ California State Academic Standards

Each district in California decides how they will teach and what resources they will use to reach adopted common-core academic standards. More information can be found at www.cde.ca.gov/re/cc/ or www.corestandards.org. California launched a computer-based student testing system that ties to the standards for English language arts, mathematics, and science called the California Assessment of Student Performance and Progress (CAASPP). The new tests include the Smarter Balanced Assessment Consortium Assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-based Tests in Spanish (STS) for Reading/Language Arts. Parents can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615]

■ LCFF and LCAP

The LCFF (Local Control Funding Formula) changed the way the State provides money to school districts. Under this system, school districts receive a uniform base grant for every student, adjusted by grade level. Plus they receive adjustments for the number of students living in poverty, English learners, and foster youth. Then there are further adjustments for concentration of these groups if they are above 55% of the district's enrollment. More information about the LCFF is available at www.cde.ca.gov/fg/aa/lc/.

The LCAP (Local Control Accountability Plan) is a critical part of the LCFF. Each school district is required to engage parents, students, educators, employees, and the

community to establish their plan. The LCAP must focus on eight areas identified as State priorities:

1. Basic Services
2. Implementation of State Standards
3. Parental Involvement
4. Pupil Achievement
5. Pupil Engagement
6. School Climate
7. Course Access
8. Other Pupil Outcomes

The plan must describe the overall vision for students, annual goals including language acquisition, and specific action to achieve these goals. The plan will demonstrate how the district's budget will help achieve the goals, and annually assess how well the strategies improved outcomes. Anyone can comment about proposals or expenditures to the school board; at parent, student, community engagement meetings; at staff LCAP meetings; or to the district LCAP Advisory Committee. Complaints regarding LCAP may be filed anonymously or using the District Uniform Complaint Procedures. [EC 305, 47606.5, 47607.3, 52060-52076, 5 CCR 4600, 4622]

Homeless, Migratory, Foster, Military, and Juvenile Court Youth

Homeless, migratory, foster, military family, juvenile court youth, or youth participating in a newcomer program have special rights related to graduation and partial high school credits. They have the right to an adult to help make educational decisions. Foster and homeless youth also have special rights associated with college funding, and certain considerations in school discipline. The District Uniform Complaint Procedure may be used to file a complaint. [EC 48645.3, 48645.5, 51225.1-51225.3, 56055; 5 CCR 4622; WIC 361, 726]

Language Learning Program

District language learning programs offered include:

Dual Language Immersion – classrooms composed of English speakers and foreign language students.

Transitional – classes taught in both English and foreign language of students. [EC 306, 310(b)(2); 5 CCR 11310]

Curriculum and Personal Beliefs

Whenever any part of the instruction in comprehensive sexual health, sexual abuse, or human trafficking prevention education conflicts with your religious training and beliefs or personal moral conviction, or those of your child, your child shall be excused from such instruction if you request an excuse in writing. No student shall be penalized, sanctioned, or disciplined for such an excuse, and shall have an alternative education activity available. [EC 51240, 51938, 51950]

If certain conditions are met, pupils, with the written consent of their parents or guardians, may be excused from

school in order to participate in religious exercises or to receive moral and religious instruction at their respective places of worship or at other suitable place or places away from school property designed by the religious group, church, or denomination, which shall be in addition and supplementary to the instruction in manners and morals required elsewhere in this code. Excused absence for attendance at religious retreats shall not exceed four hours per semester. [EC 46014, 48205; ne]

Family Life, Human Development, and Sexual Health Education

Your child will be taking classes in compliance with the California Healthy Youth Act. These will include instruction in comprehensive sexual health education, HIV prevention education, and research findings regarding pupil health behaviors and risks. Any written and audio-visual educational materials planned for use are available for inspection prior to the start of classes. You may have copies of non-copyrighted material that will be presented by a consultant or guest speaker for ten cents (10¢) per page. You will be notified before such instruction, and have a right to request, in writing, that your child not participate in any or all activities. You may withdraw this request at any time. School districts must ensure that all participating pupils receive sexual health instruction from personnel adequately trained in appropriate courses. In this District, staff teaches these classes. During this class, students in grades 7-12 may be asked to anonymously, voluntarily, and confidentially fill out evaluation and research tools such as surveys, tests, or questionnaires measuring student attitudes toward health, sex, and risk behaviors. Copies of Education Code Sections 51933, 51934, and 51938 can be requested from the District or can be obtained online at www.leginfo.legislature.ca.gov. [EC 51933, 51934, 51937-51939]

Dissection of Animals

If your child chooses not to participate in the dissection of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with the pupil to develop and agree upon an alternative education project for the purpose of providing your child an alternate avenue for obtaining the information required by the class. The school will need a signed note from you indicating your child's objection. [EC 32255]

Tests/Surveys on Personal Beliefs

You and/or your child(ren) over 18 will be notified before administration of any confidential test, questionnaire, or survey containing questions about your child's, or your personal beliefs, political practices, mental health, anti-social, illegal, self-incriminating, demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors,

income (unless to determine eligibility for receiving financial assistance), sex, family life, morality, or religion. You will be asked for written permission except for exempt surveys (in grades 7-12) that are part of sexual health programs or State surveys. Parents may opt their child(ren) out of all surveys, without penalty, including those seeking information to be used in marketing. Parents have the right to review any survey or educational materials related to the survey on any of the above items. The District has developed policies relating to surveys and personal information. Notice will be sent to parents prior to such test or survey. If you believe your rights have been violated, you may file a complaint with the Family Policy Compliance Office at U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920. [EC 51513, 51938, 60614; 60615; PPR; 34 CFR 98; ESEA]

■ Schools in Program Improvement or Corrective Action

Any school that has been identified for Program Improvement or Corrective Action must promptly notify parents as follows:

- an explanation of what the identification means, and how the school compares in terms of academic achievement to other elementary schools or secondary schools served by the LEA and the State educational agency involved;
- the reasons for the identification an explanation of what the school identified for school improvement is doing to address the problem of low achievement;
- an explanation of what the LEA or State educational agency is doing to help the school address the achievement problem;
- an explanation of how the parents can become involved in addressing the academic issues that caused the school to be identified for school improvement; and
- an explanation of the parents' option to transfer their child to another public school, with transportation provided, or to obtain supplemental educational services for the child, as applicable.

■ ROP (Regional Occupation Program)

This program readies the pupil for entry-level jobs in a variety of specified industry areas and can be used to fulfill high school graduation requirements in vocational education and electives. English language skills will not be a barrier to admission and participation in vocational education classes.

■ California High School Proficiency Exam

The California High School Proficiency Exam (CHSPE) allows high school students 16 or older, or those meeting other requirements, to earn a State Certificate of Proficiency, which by law is equal to a high school diploma.

Many students use the exam to start jobs or start college earlier than their expected graduation date.

■ University Admissions

University of California/California State University Admissions

Admission to the California State Universities requires a minimum 15-unit pattern of courses for admission as a first-time freshman. Each unit is equal to a year of study in a subject area. A GPA of 2.0 (C) or higher is required for regular admission. Admittance is based on an eligibility index that combines multiple items. Transfer students are accepted.

Admission to the University of California requires completion of the 15 yearlong high school course list. These courses are also known as the "a-g" subjects. At least seven of the 15 yearlong courses must be taken in the student's last two years of high school. A GPA of 3.0 (B) or higher is required for California residents. [EC 48980, 51229]

Definition of career technical education

A program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. More information is available about Career Technical Education at California Department of Education, www.cde.ca.gov/ci/ct. [EC 48980, 51229]

College or Career Counseling

High school counselors are trained to help pupils prepare for college or career training. They take pupils through all the steps so nothing is missed including information about financial aid, requirements, and careers. Most counselors are available by appointment and will meet with pupils and their families. [EC 48980, 51229]

SCHOOL RECORDS AND PUPIL ACHIEVEMENT

■ Pupil Records

Parents, guardians, foster parents, certain caregivers,

and students over 18 have the right to review, get copies, and inspect school records within five business days of a written or oral request or before any meeting regarding an individualized education program or a hearing. Those records are confidential, and privacy will be maintained. Student records are provided to schools where student transfers or wants to enroll. In some instances information about your child may be released to District staff, foster agencies, short-term residential treatment programs, after school programs, summer camps, lawyers, law enforcement, state researchers, and nonprofit researchers. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. The records include transcripts, discipline letters, commendations, attendance, and health information. The records are maintained at the school of attendance by the site principal. There is someone to help interpret the material. When more than one child is named in the records, parents may only see material related to their child. If requested, the district will provide a list of types and locations where materials are held. There is a log of who has viewed the records that is kept at the same location as the records. District policy or administrative regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. Files may be reviewed to identify pupils eligible for public school choice or supplemental educational services. You may have copies made for ten cents (10¢) per page. If you cannot afford the cost of copies they will be provided free of charge. You also have the right to file a written request with the superintendent challenging the records. You can challenge the records if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, comment not based on personal observation with time and date noted, misleading information, or violation of privacy rights. You can file a complaint about how your request was handled with the district or with United States Department of Education. You will get to meet with the superintendent or designee within 30 days. If your challenge is sustained, the changes will be made. If not, you can appeal to the school board, which has final authority. If you still have a different view, your view can be included in the student's record. [EC 8484.1, 49063, 49060, 49068, 49069, 49069.3, 49070-49079.7, 51101, 56043, 56504; CC 1798.24(t); FERPA; 20 USC 1232(g); 34 CFR Part 99]

Student Data from Social Media Websites

School Districts may adopt a plan to gather student information from social media websites. The Governing Board has not adopted such a plan, but may consider it in the future. The information would pertain only to student or school safety, and must be destroyed within one year of the student leaving the District or turning 18. [EC 49073.6]

■ **Regulations Regarding Pupil Achievement**

The Governing Board believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication regarding pupil achievement should be used. The progress report should reflect pupil progress in classwork and proficiency levels and indicate educational growth in relation to the pupil's ability, citizenship and effort. [EC 49067]

■ **Teacher Qualifications**

A provision of federal Title I requires all districts to notify parents of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals including state qualifications, licensing for the grade level or subject taught, any waivers for qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides are in the classroom and what their qualifications are. [ESEA; 20 USC 6311; 34 CFR 200.61]

■ **Release of Directory Information**

The law allows schools to release "directory information" to certain persons or organizations including military recruiters. Directory information includes pupil's name, address, telephone information, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil. You may have the district withhold any of this information by submitting an annual request in writing within the first 30 days of enrollment. Written notification received after the date specified will be honored, but the student's information may have been released in the interim. In the case of students with exceptional needs or who are homeless, no material can be released without parent or guardian consent. [EC 49061(c), 49070, 49073(c), 56515; FERPA; ESEA]

■ **School Safety Plan**

Every year, each school shall review and update its plan by March 1. Each school shall make its plan public and shall share the plan with numerous community leaders, school site personnel, and parent groups. Plans should, among other things, provide guidance for the response to and/or the prevention of bullying, child abuse, disasters, and criminal activity. Key elements are to be described in the School Accountability Report Card. Planned responses to criminal incidents need not be disclosed. The Uniform Complaint Procedure can be used regarding School Safety Plan compliance. [EC 32281, 32282.1, 32286, 32288, 32289, 51101]

PUPIL SERVICES

■ Pupil Meal Program

At Gonzales Unified School District, all students will be served lunch and breakfast at no charge once ALL school meal applications have been received. Applications must be received no later than September 22, 2019. The district may also offer a summer food service program. More information and an application is available in the school office, and may be sent to students' homes. [EC 49510-49520; 42 USC 1761(a); ne]

Free and Reduced Price Meal Applications

The district must have an application on file for each family with children in K-12 grade in order to maintain complete and accurate records for the district that are required by the State of California. All information provided will remain confidential.

It is the parents'/guardian's responsibility to ensure that their pupil's application has been received and processed in the food services program within the first 30 days of the new school year. Parents/Guardians are responsible for any charges incurred by your pupil.

■ Student Use of Technology

The Governing Board intends that technological resources provided by the district be used in a safe and responsible, manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with this Board policy and the district's Acceptable Use Agreement.

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on

or off site or through district-owned or personally owned equipment or devices.

Before a student is authorized to use district technology, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

The district reserves the right to monitor student use of technology within the jurisdiction of the district without advance notice or consent. Students shall be informed that their use of district technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the district technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and BP/AR 5125 - Student Records.

Whenever a student is found to have violated Board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy.

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update procedures to enhance the safety and security of students using district technology and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced.

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter

on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors.

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs
2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying. [BP 6163.4 June 2017; EC 49073.6, 51006, 51007, 60044; PC 313, 502, 632, 653.2; 15 USC 6501-6506; 20 USC 6751-6777; 47 USC 254; 16 CFR 312.1-312.12; 47 CFR 54.520]

■ School Accountability Report Card

The School Accountability Report Card is available annually by February 1st on the Internet at www.gonzalesusd.net. It contains information about the district and school regarding the quality of programs and its progress toward achieving stated goals. A copy will be provided upon request. [EC 33126, 32286, 35256, 35258, 51101]

■ Services to Students with Disabilities

If you have reason to believe your child (ages 0 through 18 years) has a disability requiring special services or accommodations, tell or write the school. Your child will be evaluated to determine whether he/she is eligible for free special or modified instruction or services.

The District wants to locate, identify and assess all children with disabilities whether homeless, wards of the state, enrolled in public or private schools. The District has policies guiding procedures for identification and referral. Students identified with special needs will receive a Free Appropriate Public Education in the least restrictive environment. Once your child is classified as a special education student, the district is responsible to provide services to your child until the child: 1) no longer qualifies; 2) graduates from high school with a regular high school diploma; or 3) reaches the age of 22 years old. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121; ne]

■ Advanced Placement Examination Fees

State funding is available to qualified low-income students to assist in paying all or part of Advanced Placement exams. [EC 48980, 52240]

■ Pupil Fees

While there are limited exceptions, families and students should not have to pay fees for most items related to public education. There are four types of fees identified in Education Code:

Pupil Fees: No fees or deposits can be required or collected for items including, but not limited to, materials, supplies, equipment, uniforms (i.e. band, cheerleading, basketball), lockers, locks, books, class apparatus, musical instruments.

Educational Activity Fees: No fees can be required or collected for student participation in an event or activity, either curricular or extracurricular, that is an essential part of a student's education or for transportation to those events. There can be no fees required for registering or participating in regular or extra classes.

Voluntary Donations: While voluntary donations may be suggested for activities, no student may be denied participation based on the family's ability to make a donation.

Exceptions – When fees may be required: By law, there are exceptions to the prohibition against charging of fees or deposits. These exceptions include, but are not limited to, transportation to non-essential activities, non-essential events where attendance is optional (such as a school dance), food served to students, damage to

district provided materials such as textbooks, cost of community service classes, and fingerprinting. Money may also be collected for material used for projects that a student will be taking home, such as, material used in a career class like woodshop or sewing. The Uniform Complaint Procedure can be used regarding pupil fee compliance. A complaint may be filed with the school principal, and may be filed anonymously.

[EC 17551, 17552, 19911, 32030-32033, 32220-32224, 32390, 35330, 35331, 35335, 38084, 38118, 38120, 39807.5, 48052, 48053, 48904, 49010-49013, 49063, 49065, 49066, 51815, 52373, 52612, 52615, 52920-52922, 60070; 5 CCR 4610, 4630]

HEALTH SERVICES

■ Immunizations

Students may not be admitted to a classroom setting in school unless he/she has been fully immunized against diphtheria, hepatitis b, haemophilus influenza type b, measles, mumps, pertussis (whooping cough), poliomyelitis, rubella, tetanus, and varicella (chickenpox). Students must be immunized for varicella or provide proof from a doctor stating child has had the disease. All advancing students, new students, or transferring students in grades 7 through 12 must be fully immunized, including a required booster against pertussis (Tdap). They shall not be admitted without the Tdap booster. Homeless and foster youth can be enrolled without proof of immunization.

It is this district's policy that there be no "conditional" admittance to schools. Documented proof that immunizations are up-to-date is required before attending school. These requirements do not apply if a note from licensed physician cites why they should not. The required immunizations are available through a usual source of medical care, County Health Department, a school nurse, or may be administered by a health care practitioner acting under the direction of a physician. Immunizations may be given at school. There may be funds for those who cannot access services.

If an outbreak of a communicable disease occurs at a school, the non-immunized student will be excluded for his/her own safety until such a time as directed by health officials or district administration.

Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying the County Health Department listed in this section. [HSC 120325, 120335, 120338, 120370, 120375, 120400, 120405, 120410, 120415, 120480; EC 48216, 49403, 48852.7, 48853.5; 17 CCR 6000-6075; 42 USC 11432(C)(i)]

■ Physical Examinations

For each child enrolling in the District for the first time,

including for kindergarten or first grade, the parent or guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive this exam, you must file a waiver with the school district stating the reasons you are unable to obtain such services. You may have your child immunized at the same time that the physical examination is conducted. [EC 49450; HSC 124085, 124100, 124105]

These services may be available to you at no cost through the Child Health and Disability Prevention Program (CHDP). For information, you may contact:

Monterey County Health Department
1270 Natividad Road, Salinas, CA 93906
(831) 755-4500

If you want your child to be exempt from physical examinations at school, file a written statement annually with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist. [EC 49451; PPRA]

■ Kindergarten and/or First Grade Oral Health Assessment

Many things impact a child's school progress and success, including health. Children must be healthy to learn, and children with cavities are not healthy. Baby teeth are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may stop smiling, have difficulty eating, and have problems paying attention and learning at school.

Parents or guardians must have their child's oral health assessed and have proof of the assessment by May 31 of the student's first school year (kindergarten or first grade). Assessments within the 12 months before the child enters school also meet this requirement. The assessment must be done by a licensed dentist or licensed or registered dental health professional. [EC 49452.8]

■ Vision, Hearing, and Scoliosis Screening

An authorized person will check your child's vision upon enrollment and in grades 2, 5, and 8 unless the student entered the District in grade 4 or 7. Hearing tests will be conducted when your child is enrolled or first enters a District school. Females in grade 7 and males in grade 8 may be screened for scoliosis (curvature of the spine). These tests may be administered unless you annually give the school a certificate from a physician or optometrist verifying prior testing, or submit a letter denying consent. [EC 44878, 49451, 49452, 49452.5, 49455]

■ Medication

Children may take medication, which is prescribed by a physician, and get help from school personnel during the school day if:

1. The district designee has received a written statement from the physician detailing the medication name, method, amount, and time schedules by which the medication is to be taken; and
2. Parent, guardian, or caregiver annually submits a written statement asking the school district to assist their child in taking the medication or allow the student to self-administer certain medications. This includes allowing a school staff member to volunteer to identify the need for, and administer glucagon and epinephrine to a student. The letter gives permission to a district representative to communicate with the health care provider, pharmacist and acknowledge understanding of how the medication will be administered. Each school determines if it will have staff trained in the use and storage of auto-injectable epinephrine. The District will have a supply of epi-pens at each school site. [EC 49414, 49414.3, 49414.5, 49423, 49480]

Children may carry and self-administer a blood glucose level test, diabetes care, inhaled asthma medication, and auto-injectable epinephrine if the rules above are met and if a physician confirms in writing that the student is able to self-administer. [EC 49414, 49414.5, 49423, 49423.1, 49480]

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the district designee of the medication being taken, the current dosage, and the name of the supervising physician. [EC 49480]

■ Sun Protection

Pupils when outdoors can wear sun protective clothing, including, but not limited to hats. [EC 35183.5] Pupils may also apply sunscreen during the day without a doctor's note or prescription. [EC 35291, 35294.6]

■ Medical and Hospital Insurance for Pupils

The district DOES NOT provide insurance on individual students. However, you may purchase accident insurance through the district for medical and hospital services covering your child. The insurance provides coverage for your child while on school grounds or in school buildings during the time your child is required to be there because of attendance during a regular school day of the district; or while being transported by the district to and from school or other place of instruction; or while at any other place as an incident to school-sponsored activities. The school district assumes no liability for accidents to pupils at school. [EC 32221.5, 49472]

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Covered California (800) 300-1506 or online at www.coveredca.com. [EC 49471]

The district values athletic competition; however, the health and safety of pupils is of paramount concern. Pupils participating in athletics are prohibited from using anabolic steroids or other controlled performance enhancing drugs. Coaches shall provide information and inform pupils and parents/guardians on an annual basis about this prohibition and the dangers of using such drugs.

Additionally, the district recognizes that uncontrolled performance enhancing substances pose long- and short-term health risks and strongly opposes their use. Coaches shall establish a climate that discourages use of any of these substances to improve athletic performance.

The district supports the ideals of good sportsmanship, ethical conduct and fair play, and expects pupil athletes, coaches, spectators and others to demonstrate these principles during all athletic competitions. [EC 49033]

Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate student's access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the education program. He/she shall report his/her findings and recommendations to the Board after each review.

The Superintendent or designee shall provide age-appropriate training and information to students, parents/guardians, and employees regarding discrimination, harassment, intimidation, and bullying, including, but not limited to, the district's nondiscrimination policy, what constitutes prohibited behavior, how to report incidents, and to whom such reports should be made.

■ Sexual Harassment

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complaint in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer.

Complaints regarding sexual harassment shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment; including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence

2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed instances of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved.
5. Information about the district's procedure for investigating complaints and the person to whom a report of sexual harassment should be made.
6. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable

Disciplinary Actions

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Any staff member found to have engaged in sexual harassment or sexual violence toward any student shall be subject to discipline up to and including dismissal in accordance with applicable policies, laws, and/or collective bargaining agreements.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in the schools. [BP 5145.7 January 2017; EC 200-262.4, 48900, 48900.2, 48904, 48980; CC 51.9, 1714.1; GC 12950.1; 5CCR, 4600-4687, 4900-4965; FERPA; 20 USC 1221, 1681-1688; 42 USC 1983; Title VI; Title VII; 34 CFR 106.1-106.71]

■ Disabilities

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination and assures that disabled pupils have educational opportunities and benefits equal to those provided to nondisabled pupils.

An eligible pupil under § 504 is a pupil who (a) has, (b) has a record of having, or (c) is regarded as having, a physical or mental impairment which substantially limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks.

Many pupils will be eligible for educational services,

under both § 504 and the Individuals with Disabilities Education Act (IDEA). Pupils who are eligible under the IDEA have many specific rights that are not available to pupils who are eligible solely under § 504. It is the purpose of this portion of the notice to set out the rights assured by § 504 to those disabled pupils who do not qualify under the IDEA.

The enabling regulations for § 504 as set out in 34 CFR Part 104 provide parents and/or pupils with the following rights (see <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html>):

1. You have a right to be informed by the District of your rights under § 504. (The purpose of this Notice is to advise you of those rights.)
2. Your child has the right to an appropriate education designed to meet his/her individual educational needs as adequately as the needs of non-disabled pupils are met.
3. Your child has the right to free educational services except for those fees that are imposed on nondisabled pupils or their parents. Insurers and similar third parties are not relieved from any otherwise valid obligation to provide or pay for services provided to a disabled pupil.
4. Your child has a right to placement in the least restrictive environment.
5. Your child has a right to facilities, services, and activities that are comparable to those provided for non-disabled pupils.
6. Your child has a right to an evaluation prior to an initial § 504 placement and any subsequent significant change in placement.
7. Testing and other evaluation procedures must conform with the requirements of 34 CFR §104.35 as to validation, administration, areas of evaluation, etc. The district shall consider information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, adaptive behavior, physical or medical reports, pupil grades, progress reports, parent observations, anecdotal reports, and TEAMS/TAAS scores.
8. Placement decisions must be made by a group of persons (i.e., the § 504 Committee), including persons knowledgeable about your child, the meaning of the evaluation data, the placement options, and the legal requirements for least restrictive environment and comparable facilities.
9. If eligible under § 504, your child has a right to periodic reevaluations, generally every three years.
10. You have the right to notice prior to any action by the district in regard to the identification, evaluation, or placement of your child.
11. You have the right to examine relevant records.
12. You have the right to an impartial hearing with respect to the districts' actions regarding your child's identification,

evaluation, or educational placement, with opportunity for parental participation in the hearing and representation by an attorney.

13. If you wish to challenge the actions of the district's § 504 Committee in regard to your child's identification, evaluation, or educational placement, you should file a written Notice of Appeal with the district's § 504 Coordinator within 30 calendar days from the time you received written notice of the § 504 Committee's action(s). A hearing will be scheduled before an impartial hearing officer and you will be notified in writing of the date, time, place for the hearing.
14. If you disagree with the decision of the impartial hearing officer, you have a right to a review of that decision by a court of competent jurisdiction.
15. On § 504 matters other than your child's identification, evaluation, and placement, you have a right to file a complaint with the district's 504 Coordinator (or designee), who will investigate the allegations to the extent warranted by the nature of the complaint in an effort to reach a prompt and equitable resolution.
16. You also have a right to file a complaint with the Office of Civil Rights. The address of the Regional Office that covers California is: Office of Civil Rights, Region IX, U.S. Department of Education, Old Federal Bldg., 09-8010, 50 United Nations Plaza, Rm 239, San Francisco, CA 94102-4102; Telephone (415) 556-4275; <http://www.ed.gov/offices/ocr/index.html>. [§ 504; 34 CFR 104.32, 104.33, 104.34, 104.35, , 104.36]

■ District responsibilities

The District is primarily responsible for compliance with local, state and federal laws and regulations and has procedures to address allegations of unlawful discrimination, harassment, bullying, and complaints alleging violation of laws governing educational programs. Employees, students, parents or guardians, advisory committees, and other interested parties are advised how to file a complaint if they so desire.

■ Complaints Regarding Discrimination, Harassment, Intimidation, Bullying, Exceptional Needs Students, Categorical Programs, Federally Funded Programs

sex, sexual orientation, gender, gender identity, gender expression, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program or activity that receives or benefits from state financial assistance.

The District shall promote programs that ensure non-discriminatory practices in all District activities. If you want further details in this regard, or wish to file a complaint, please contact the District's Uniform Complaint Officer. The Governing Board designates the following compliance officer(s) to receive and investigate all complaints and ensure district compliance with law:

District's Uniform Complaint Process

You may contact your school's office or the District office to obtain a free copy of the district's complaint procedures. The complaint procedure can be used for a variety of issues not mentioned above including but not limited to employee issues and policies and procedures of the district. Confidentiality and privacy shall be respected in all complaint investigations. Complaints alleging discrimination may be filed by a person on their own behalf or on behalf of another person or group of people within six months of

the occurrence or when facts became known. Complaints regarding a special needs student or pupil fees may be filed within 12 months of the occurrence. Complaints regarding LCAP may be filed anonymously. Complaints regarding Pupil Fees may be filed anonymously and with the principal. If a complaint regarding LCAP or pupil fees is valid, then the parents are due full reimbursement. Staff has been trained to deal with these types of complaints.

Those complaining (Complainants) are protected from retaliation and their identities are confidential when related to discrimination. Staff dealing with complaints are knowledgeable about the laws and programs they are investigating. The complaint may be dismissed if complainant obstructs or does not provide all information. If the District acts in the same manner, the finding may be affected.

1. Complaints made under this procedure shall be directed to the Uniform Complaint Officer who is responsible for processing the claims. A complaint under the Uniform Complaint Procedure should be completed within 60 days from the receipt of the complaint. The Superintendent and complainant may agree in writing to extend the timeline.
2. You may contact the UCP Officer to obtain a copy of the complaint process.
3. You may choose to have your complaint mediated.
4. There shall be an investigative meeting after receiving the complaint.
5. The compliance officer shall send a written report about the investigation and decision. There are then five days to appeal to the Board of Education.
6. If you are not satisfied with the results the complainant then has 15 days to appeal to the California Department of Education. The appeal must include a copy of the locally filed complaint and a copy of the LEA decision.
7. There is nothing in this process to preclude a complainant from pursuing available civil law remedies outside of the district's complaint procedures. Such remedies may include mediation, attorneys, and legal remedies. Civil law remedies may include, but are not limited to: injunctions and restraining orders.

For discrimination complaints, 60 days must elapse from the time an appeal is filed with CDE before pursuing civil remedies except for an injunction. Complaints may also be forwarded to appropriate state or federal agencies in the following cases:

The district has available upon request a complete and updated management plan for asbestos-containing material. [40 CFR 763.93]

■ **Pesticide Use**

The District is not planning to use any pesticide products at school facilities this school year.
