On Monday October 29, between 3:00 pm and 4:00 pm, two female Moanalua High School students were approached, at separate times, on or around Ala Ilima and Ala Nanu Streets by an older, white male as they walked home from school.

The older male was reported to be in his late forties or early fifties, riding a black bike, with a dark colored backpack. He has short gray hair with some black.

The male followed one student and made an inappropriate remark to the second student.
