

Dear Parents and Children,

Listed below is the 1<sup>st</sup> grade school supply list for the 2015-2016 school year and a few other helpful hints. This has been prepared so you may purchase these recommended supplies before the beginning of the school year and avoid the early September rush. We hope you find this helpful in preparing your child for the upcoming school year. Please **label** the items with your child's name and bring them in on the first day of school. We look forward to meeting you and your children in September and to another academically successful school year.

Enjoy the summer,
