Dear Parent/Guardian,

Your child's spring, 2017 PARCC Individual Assessment Reports are included with this letter. There are two summary reports – one for English Language Arts/Literacy and one for Mathematics. We ask that you take a few moments to review these results with your child. Please keep in mind that these scores reflect only one measure of achievement for your child and do not take into consideration the growth they make within a given school year.

The PARCC assessments serve as an "educational GPS system," assessing students' current performance, and pointing the way to what students need to learn to be ready for the next grade level and, by high school graduation, as well as college and/or a career.

The PARCC assessments are designed to give schools and teachers more information to improve instruction. Moreover, PARCC is designed to let parents know how their child is progressing academically. This more detailed information can lead to strong engagement between parents and teachers.
