Greetings Arcata School District Community,

As you are likely aware, we had to cancel today's Purple Bus Route (both AM and PM). We are again down two bus drivers and we will not be able to resume normal service until at least one of those positions is filled. We regret and apologize for the inconvenience this is causing families.

In the meantime, we will have to again run one consolidated bus route. The attached route modifications have been developed in an attempt to continue supporting transportation for all students. Northern Humboldt Union High School District will again support the transportation of students from the Manila area. In order to maintain/restore bus services to the more remote areas of our district, we will also implement a walking bus from the Murphy's Market on Alliance Road in the morning. Sunny Brae Middle School students joining the walking bus will be able to meet the regular school bus at Arcata Elementary School.

Please review the attached route schedules and logistical information and do not hesitate to contact our school offices with any questions. Again, we sincerely apologize for any hardship this causes. Your support and patience is greatly appreciated.

Thank you,

Luke Biesecker  
Superintendent  
Arcata School District
