

ARISTOI CLASSICAL ACADEMY

Dear Aristoi Parents ~

It seems that our online learning has gotten underway with a great start. I know that all of our faculty and staff have been working hard getting ready for their students!

With that in mind, I would like to let you know how you can stay connected to the guidance counseling/counseling office. The link below will take you to my webpage where we are continuing to set up for our guidance counseling and our counseling spaces. We hope you will check it out and let us know how we may be of assistance to you and your children during the extended time off campus.

Additionally, our office plans on rescheduling the upcoming parent meetings, albeit using the Zoom tele-conferencing platform. We will also use this platform for parent/student conferences when needed.

As we all adhere to the guidelines given to us by our city, state, and federal leaders, we remain determined to stay in touch with our Aristoi community. Our mission has not changed; the method of delivery and communication has changed, but only temporarily.

*"This hill though high I covent ascend;
The difficulty will not me offend;
For I perceive the way of life lies here.
Come, pluck up, heart; let's neither faint nor fear. "*

~John Bunyan~

Respectfully yours,
Lynn Cummins, MS
