After School Enrichment Activities

In partnership with Howard Gardner Community school, Be Utmost Inc.'s Enrichment Program was created with several goals in mind. The ultimate goal of our program is to encourage children to participate in physical activities in and outside the classroom. The Enrichment Activities Program is designed to provide fun, low pressure after school fitness and sports activities where children can learn about the sports and games they love while having fun with their classmates.

- Starting November 27, 2018 to June 7, 2019
- Monday - Friday 3:30pm to 5:30pm
- Snacks provided everyday
