

## Example Engineering Notebook Entries

### **Brainstorming - September 4, 2018**

Ideas for my project:

- 1.
- 2.
- 3.

### **Ideas - September 5, 2018**

For my project, I decided to pick this topic \_\_\_\_\_ because \_\_\_\_\_. I find this topic interesting because \_\_\_\_\_. In order to find information for my project, these websites seem to be useful:

- Website #1
- Website #2
- Website #3

### **Research Notes - September 6, 2018**

Notes for my project:

Website #1

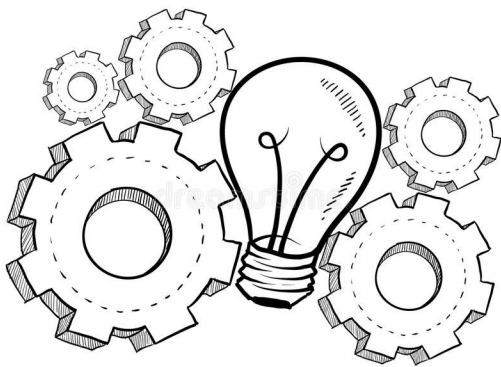

- 1.
- 2.

Website #2

- 1.
- 2.

### **Sketches - September 7, 2018**

Today, I was able to find enough research to draw my initial sketches.

Here is where I write about the sketch I did, explain how this works, how I came up with the idea, etc. I also include any thoughts or problems I've had so far.
