Hello Fairbrook Families!
THESE KIDS ARE AMAZING!!! Congratulations to all of our Fairbrook Family on raising $30,348 for our Fairbrook PTO! We blew our record out of the water! Many thanks to our fabulous Fairbrook PTO for working so hard to ensure that every child and staff member had a t-shirt and to ensure that the Foxtrot was fun and safe for all students. Our Foxtrot was a blast and so many memories were made that we will all cherish forever. One of my favorite memories is dancing with the kids. They’ve got some moves!
As you may have seen in the news, the Ohio Department of Education released District and Building Report Cards from last school year. It is with great pride that I can report that Fairbrook earned an overall Achievement rating of a B! This is great news and an incredible reflection on our kids, our staff, our parents, and our district and community support. It is truly a group effort and should provide a sense of pride for all involved!
As I walk through classrooms, I see our students learning new, difficult information, but they are using Growth Mindset language and encouraging one another. Lucky for us, we had a company reach out to us that specializes in assemblies focused on Growth Mindset. So, this past Monday, we enjoyed a NED Show assembly about Growth Mindset. We learned that NED stands for “Never Give Up”, “Encourage Others” and “Do Your Best”. We also learned about the power of “YET” (you may not know how to achieve/do something...yet). Be sure to ask your children what they remember from this assembly!
In addition to working on academics, we continue to support our kids’ social and emotional needs. As parents, you can reinforce Growth Mindset in your home. The power of students’ beliefs about themselves affects them profoundly. Growth Mindset is very closely related to self-esteem. A child with very little self-esteem will not perform as well as a child who believes he/she CAN and WILL. Children can develop a growth mindset at an early age, and it is our job to promote a growth mindset in the classroom as much as possible. If we miss the opportunity, they may not adopt this valuable characteristic. To help with this, you can provide your child with attainable challenges. Children need to be given clear and concise steps to take to achieve a goal. Whether it’s learning how to make their bed or learning to separate and wash their laundry, smaller goals attained over a period of time are easier to manage. By bravely attempting smaller steps leading up to a larger goal, in the end, the student will gain a feeling of success and achievement. The confidence needed to achieve is built by a series of smaller achievements. I want all of the students at Fairbrook to know that my desire is to assist them in learning so they can be successful at school and in the community. If your child needs anything during the school day, please encourage them to come see me or stop and talk to me on the playground about whatever it is they may need. Mrs. Laravie, our school guidance counselor, is also available.

Respectfully,
Joell A. Mangan
SCHOOL HOURS
9:00AM - 3:45PM
Children **SHOULD NOT** be dropped off at school prior to **8:40 AM**.
Proper supervision is not available before this time.

ATTENDANCE/ABSENCES/TARDY/EARLY DISMISSAL
To report an absence or late arrival, please call the absence line, 937-429-7616 option 1 - or email fairbrookattendance@gocreek.org Include your child’s name, teacher and reason for the absence or late arrival. Please try to provide notes from medical appointments. All other Absences need a parent/guardian note. Parent/Guardian notification for absences and medical notes must be provided within 3 day of the absence. After 3 days, all absences will be marked unexcused. Parents/guardians may submit 10 parent notes (or phone calls) per school year documenting an excused absence reason. After the 10 notes are exhausted, medical notes are required for any additional absences to be excused. If a vacation is planned within the school year resulting in student absence, parent/guardian must submit a Vacation Request Form. This form must be submitted 5 school days prior to the first day of the vacation. Up to 5 days maybe approved and will count as 5 of the 10 allowable parent notes. Vacation request forms are available on our website: https://www.gocreek.org/apps/pages/index.jsp?uREC_ID=1183405&type=d&pREC_ID=1428814

TELEPHONE CALLS TO THE OFFICE
We know that emergencies do arise during your normal day, and a phone call to let your child know of a change is sometimes necessary, but please do not call the office and ask to have routine information given to your child during the school day. After school activities, ride arrangements, child care information, and all other personal matters should be discussed and arranged prior to the school day and a note sent to the teacher regarding any changes to their normal schedule. Office personnel and teachers will make every effort to see that your child receives his/her message. We cannot guarantee any calls that are received after 3:30 pm.

ONEVIEW ONLINE FORMS
If you have not updated and submitted your OneView online forms, please do so as soon as possible. If you have made any changes, please notify the office due to some changes will require follow up paperwork before changes are updated. If you need assistance, please contact the office. https://beavercre ek.esvportal.com

SCHOOL FEES
Fee sheets will be sent home Friday, Sept. 13th, please pay as soon as possible. School fees can be paid by cash or check (payable to Beavercreek City Schools) in the office or you can pay on EZPay online. Student ID number is required to create an account. https://www.spsezpay.com/Beavercreek/login.aspx

STUDENT LUNCH ACCOUNTS
Please check your child’s lunch account balance. Student ID number is required to create an account. https://www.spsezpay.com/BCmeals/login.aspx
A Note to Fairbrook Elementary

Please use the notepad (see below) that was sent home in the beginning of the year packet for late arrivals, early dismissals, previous or future absences (when you don’t have a medical note), bus changes, and parent pick up. Please have your student give any notes to their homeroom teacher in the morning. If you do not have a notepad, please let us know and we will send one home with your student. These have been updated from last year.

A Note to
Fairbrook Elementary

COUNSELOR’S CORNER

Beavercreek Strong: Strength of ...Mind, Heart, Character, Community

*Character Education Pillar Schedule*

The character pillar for the month of October is Respect.

Having respect for someone means you think good things about who a person is or how he/she acts. You can have respect for others, and you can have respect for yourself.

Showing respect to someone means you act in a way that shows you care about their feelings and well-being.

Showing respect for others include things like not calling people mean names, treating people with courtesy, caring enough about yourself that you don't do things you know can hurt you.

Shine Award Winner - October

Kaydence Massengill in Mrs. WickSanner’s class is the October winner of our Shine Award this month. Kaydence is new to our building this year but she has already proven herself to be an exemplary student. Kaydence is always on task. She turns her work in as soon as it is completed, and transitions to the next activity without being asked. She is always volunteering to help in the classroom and offers to help her teacher and the other students.

She takes the time to clean-up her space and help those around her. In addition, she volunteered to help take out the lunch basket for lunch boxes everyday and does the job without being asked. She is a wonderful addition to our Fairbrook Family and truly supports all aspects of character.
Dear Fairbrook Family,

We are still on cloud 9 following this year’s Fairbrook Foxtrot. What a truly wonderful day it was. We can’t begin to thank you for your overwhelming support of the PTO. $30,000 + is just unbelievable.

To our volunteers, thank you for spending your day with us outside on what was such a beautiful day. We hope you had fun watching all the smiling faces go by. We couldn’t do it without you.

Thank you, Fairbrook, for your dedication and love. It truly is a great place to live and learn.

Humbly,
The Foxtrot Team
WOODWIND QUINTET

On Monday, September 9th, the Dayton Philharmonic Orchestra's Woodwind Quintet visited Fairbrook's 5th grade students. Fifth grade students were able to learn facts about and listen to each of the five individual instruments in the quintet. The presentation was called "Where In The World...." and included many different types of music, representing different countries and composers. Students followed musical cues from Europe to the Far East to South America and Africa to discover the unique musical sounds of countries around the world. On their journey, they heard everything from *The Four Seasons* by Vivaldi to *The Harry Potter Theme* by John Williams. It was a wonderful performance!
This week your child started using PAX Voices!
This is a strategy your child’s teacher uses to keep voices at an appropriate level in different settings. PAX Voices help children assess and match their own voices for every activity. PAX Voices allow children to predict appropriate volume while allowing the teacher to offer non-harsh guidance.

Here are some areas of growth you will notice in your child right away:
- They will use appropriate voices for different settings.
- They will require less guidance and corrective feedback.
- They will respond more appropriately and proficiently to adult feedback.

Here are some lifetime skills that your child will develop:
- They will recognize and generalize appropriate behavior for different settings.
- They will assess novel activities without a great deal of feedback needed.

Here are some questions you can ask your child about PAX Voices:
- When did you have to use PAX Voices today? Which one did you need to use?
- What are some other times you think you could use PAX Voices throughout the day?
- What are some times we use PAX Voices outside of school?

The PAX Good Behavior Game® is an evidence-based practice that your child’s teacher uses to not only improve the academic performance of all children, but also improve a host of lifetime outcomes including: increased graduation and college entrance rates, increased lifetime earnings, decreased risk for drug misuse, and decreased risk for mental, emotional, behavioral disorders. PAX increases the Peace, Productivity, Health, and Happiness in every community.

Visit [www.goodbehaviorgame.org](http://www.goodbehaviorgame.org) for more information about PAX as well as implementing PAX strategies at home and in the community!

*Teachers who use the PAX Good Behavior Game see a 60% reduction in workplace-related stress.*
Product Rewards

We are off to a great start with the product rewards contest! The classroom that brings in the most rewards between September and January will win a party in January. After the first collection of the school year, the rankings are:

1. Mrs. Driver
2. Mrs. Carenza
3. Mrs. Loudenslager

There is still plenty of time to change these results! Send in your Box Tops, Tyson labels, and Coke codes to help your child’s classroom take the lead! The next collection date is October 8th.

Spotlight on Box Tops

Collecting Box Tops is an easy way to help earn cash for our school. Each one is worth 10 cents! Just look for the Box Tops symbol on hundreds of products. Currently there are 2 ways to do this because Box Tops for Education is changing their program. Below are the instructions for the old way with clippable Box Tops. This method is slowly being phased out but as long as you have clippable Box Tops that are not expired, you can send them in. On the next page, you will find the new method’s instructions.

1. Buy products that support Box Tops. You will be surprised how many there are!
2. Cut out the Box Top from each package. The only rule is the expiration date has to be present and not expired.
3. Send the Box Tops in with your child. There is a blue collection bag in every teacher’s room.

WINNER!!!

At the beginning of the school, flyers went home about a contest involving the Kroger Plus Card. If you registered your Kroger Plus Card into the Community Rewards Program, designated Fairbrook as your organization and sent in a copy of the confirmation; you were entered into a drawing for a $50 Kroger Gift Card. And the winner is...

Julie Dow

Congratulations!! Thank you to everyone that participated!!!
Changes to the Box Tops Program

As I have previously mentioned, Box Tops for Education is changing their program. They are going digital. What that means to us is we will see less and less of the clippable Box Tops on products as this method is phased out. Clippable Box Tops have an expiration date on them, if there is no date that Box Top is “digital” and cannot be mailed in. We are STILL collecting the clippable Box Tops like we always have. We will continue to do so as long as you send in unexpired clippable Box Tops.

Clippable (old)  

Digital (new)

In regards to the digital Box Tops, it is a totally different process than the old way. You must have a smart device to do this method. However, there has been a recent update and I can track your digital Box Tops now which means they do count towards the total for the party contest. See below for details.

First, download the Box Tops for Education app and create an account.

Next, you purchase items with the digital Box Top on them.

Last, you scan your ENTIRE receipt from the store into the Box Top app. You can add a section(s) if your receipt is long. This must be done within 14 days of purchase. The app will find the Box Top eligible items and “clip” the Box Top for you. Submit when finished.

IMPORTANT: To give credit to your child’s classroom so I can track it, you must “credit” your Box Tops. Before you hit submit, you tap the circle with the star in it. It pulls up a comment bubble; I want you to put your child’s teacher’s LAST name in it. We track by classroom, not individual students.

If you have any questions, please feel free to contact me either through the Facebook Fairbrook PTO page or email me at carly_slone@yahoo.com.

Thank you for supporting your Fairbrook Foxes!

Carly Slone

Donate Your Well-Loved Books!

Do you have a shelf-full of books that you and your kids used to love to read, but have outgrown? Do you have lots of books in good shape that a child could get years of enjoyment from? Have you been wanting to do some early spring cleaning? Start by donating your gently used books to help my gold award project!

What is my Gold Award Project?

The Gold Award is the highest award a Girl Scout can earn, and it requires that you complete a project that will leave a lasting impact on your community. The purpose of my project is to restore the library to Springfield Christian Schools. The library has fallen into disrepair because the limited school resources were applied to other priorities. Resources are now available and the school principal would like the library to be reopened. However, the library's books are disorganized and outdated. For my Gold Award, I will sort and reorganize the current books, purchase new books for the library, redesign the room, and paint a mural in the library to make it a place that is inviting for children. With the completion of my project, the school will be able to reopen the library for its students.

How Can I Donate Books?

If you are interested in donating please bring your books to Fairbrook and drop them off in the labeled box near the front office. The book box will be at Fairbrook until the end of October. If you are unable to drop your books off for any reason or you have too many books to bring to school, please contact Caroline Howley (me) at (937)-956-9911 or at c.howley033@gmail.com, and I can arrange a way to pick up your books at a convenient time for you!

What Kind of Books?

Any kind of book appropriate for a preschool through eighth-grader. Books can be fiction or nonfiction, and must be in good condition. Here are some examples:

Modern Favorite Picture Books (ex. Pete the Cat)

Classic Picture Books (ex. The Very Hungry Caterpillar, The Velveteen Rabbit)

Early Chapter Books (ex. Diary of a Wimpy Kid, Dork Diaries, Magic Tree House)

Middle School Chapter Books (ex. Lightning Thief, Wonder)

Child Oriented NonFiction Books (ex. History, Animals, Science, Sports)

All donations are appreciated!
