STUDENT IMAGES AND MEDIA POSTING

The District occasionally will use student images for educational purposes, which includes promotional opportunities on the District website, Facebook page, online newsletters/publications or with the media in the form of news releases. Students' names will not be associated with photos without parent permission.

APPS has an opt-out policy for students and families who wish to not have their images used in school and district-wide media, including the district website, district and school social media outlets, as well as external media outlets such as newspapers and online publications.

If you wish to opt out, please complete the form below and return it to your child's building principal.
