Principal's Message

The School Accountability Report Card (SARC) was established by Proposition 98, an initiative passed by California voters in November 1988. The SARC, to be issued annually by local boards for each elementary and secondary school in the State, provides for parents and other interested people a variety of information about the school, its resources, its successes, and the areas in which improvements are needed.

Central Coast New Tech High School serves students from the communities in and around the District, including the Five Cities and Nipomo areas. It also draws students from beyond the Lucia Mar Boundaries including students from Santa Maria, Orcutt, and San Luis Obispo. The school is one of three high schools in the District, including Arroyo Grande and Nipomo High School.

The staff at Central Coast New Tech High School is committed to facilitating the growth of their students, both in the academic and social realms. High expectations are held for both students and staff in the areas of academics and behavior so that our students are well prepared to be successful as they move on into college and careers.

Central Coast New Tech High School believes in empowering and engaging learners to be resilient, adaptive, innovative and self-directed global citizens. The school offers a rigorous academic environment with college prep courses engaging students with authentic and relevant project-based learning or Problem Based Learning that not only focuses on academic content, but also fosters student growth in the 21st-century skills of collaboration, critical thinking, effective communication, technological literacy, and being a self-directed learner.

Why Central Coast New Tech High School?

Everything we do, we believe should empower and engage people to be resilient, adaptive, innovative, and self-directed.

School Vision Statement

Igniting creativity. Empowering through authenticity. Learning for the 21st century.

School Mission Statement

The mission of Central Coast New Tech High School is to provide an engaging, challenging, and inspiring environment through which our students become empowered to attain their full potential as a successfully contributing member of our 21st-century society. Through the focused effort of the students, staff, parents and community, students will use 21st-century skills and project-based learning to assess, innovate, and contribute to the advancement of our ever-changing world.

The Student Learning Environment is molded by the following School-wide Learning Outcomes:

Knowledge and Thinking - The ability to reason, problem-solve, make decisions, develop sound arguments, and create new ideas by using appropriate sources and applying the knowledge and skills of a discipline.

Collaboration - The ability to demonstrate effective communication, empathy, responsibility, initiative, and leadership in order to be a productive member of diverse teams

Oral Communication - The ability to make meaning from verbal messages and effectively communicate content knowledge and thinking through oral interactions and presentations.

Written Communication - The ability to effectively communicate content knowledge and thinking in a written format using discipline-appropriate organizational patterns and conventions.

Agency - The ability to reflect on the development of a growth mindset and purpose for learning as well as demonstrate self-monitoring, learning strategies, study habits, and active participation.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2018-19 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	96
Grade 10	86
Grade 11	63
Grade 12	61
Total Enrollment	306

2018-19 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	1.3
American Indian or Alaska Native	1.3
Asian	2.6
Filipino	1
Hispanic or Latino	28.4
White	60.8
Two or More Races	4.6
Socioeconomically Disadvantaged	36.9
English Learners	0.7
Students with Disabilities	8.8
Foster Youth	0.3
Homeless	2.9

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Central Coast New	17-18	18-19	19-20
With Full Credential	24	24	22
Without Full Credential	1	0	1
Teaching Outside Subject Area of Competence	0	0	0

Teacher Credentials for Lucia Mar Unified	17-18	18-19	19-20
With Full Credential	♦	♦	533
Without Full Credential	♦	♦	25
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at Central Coast New Tech High

Indicator	17-18	18-19	19-20
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Lucia Mar Unified School District held a public hearing Sept. 18, 2018, and determined each school within the District has sufficient and good-quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams v. the State of California. All students, including English Learners, are given their own individual Standard aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Lucia Mar Unified School District follows the State’s seven-year adoption cycle. Auxiliary materials, such as math manipulatives, trade books, and science kits, are also purchased to support the textbook adoption.

Textbooks and Instructional Materials

Year and month in which data were collected: 2018-2019

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<p>Reading/Language Arts</p>	<p>McGraw-Hill - Reading Wonders (Grades K-6) Adopted in 2014</p> <p>Houghton Mifflin Harcourt - California Collections (Grades 7-12) Adopted in 2016</p> <p>BFW - Advanced Language and Composition (Grades PreAP 9-10) Adopted in 2016</p> <p>BFW - Advanced Literature and Composition (Grade 11) Adopted in 2014</p> <p>The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%</p>
<p>Mathematics</p>	<p>Pearson - Investigations (Grades K-5) Adopted in 2017</p> <p>Houghton Mifflin Harcourt - Big Ideas Math (Grades 6-11) Adopted in 2014/15</p> <p>Cengage - Precalculus with Limits (Grades 11-12) Adopted in 2019</p> <p>McGraw Hill - Core Plus Integrated Math (Grades 9-11) Adopted in 2015</p> <p>Wiley - Calculus Early Transcendentals Part AB (Grades AP 11-12) Adopted in 2014</p> <p>Pearson Prentice Hall - Calculus Graphical, Numerical, Algebraic Part CD (Grades AP 11-12) Adopted in 2008</p> <p>BFW - The Practice of Statistics (Grades AP 11-12) Adopted in 2016</p> <p>BFW - Statistical Reasoning in Sports (Grades 11-12) Adopted in 2016</p> <p>Cengage - Understanding Basic Statistics (Grades 11-12) Adopted in 2013</p> <p>The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%</p>

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Science	Macmillan/McGraw-Hill - California Science (Grades K-6) Adopted in 2008
	Holt - California Life Science (Grade 7) Adopted in 2007
	Holt/Houghton Mifflin Harcourt - California Physical Science (Grade 8) Adopted in 2007

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

Central Coast New Tech High School (CCNTH) opened in August of 2012 and provides a safe, clean environment for learning. Central Coast New Tech High School is situated on 3.4 acres next door to the Nipomo High School campus. The school buildings consist of eighteen classrooms, a multipurpose room, and administrative offices.

The facility strongly supports teaching and learning through its ample classroom and recreation space. Administrative staff are monitoring students and visible during all student break times. CCNTH is additionally supported by a full-time school resource officer from the San Luis Obispo County Sheriff’s Department.

Central Coast New Tech High School is a closed campus. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check-in at the school office upon arrival and obtain a visitor’s badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, adults supervise students and school grounds, such as the cafeteria, recreation area, and the parking lots (before and after school) to ensure a safe and orderly environment.

Safety concerns are the No. 1 priority of maintenance and operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated that 100 percent of all toilets on school grounds are in working order.

A team of custodians ensures classrooms, campus grounds, and restrooms are kept clean and safe. A scheduled maintenance program is administered by Lucia Mar Unified School District to ensure that all classrooms and facilities are well maintained and provide a suitable learning environment. A summary of these standards is available at the school office or at the District office.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 10/10/2019

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	85	83	54	56	50	50
Math	53	50	39	42	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	65	64	98.46	82.81
Male	41	41	100.00	78.05
Female	24	23	95.83	91.30
American Indian or Alaska Native	--	--	--	--
Hispanic or Latino	17	16	94.12	81.25
White	42	42	100.00	85.71
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	23	23	100.00	82.61
Students with Disabilities	11	11	100.00	54.55
Homeless	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and Ten

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
9	7.8	29.9	42.9

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2018-19 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	65	64	98.46	50.00
Male	41	41	100.00	56.10
Female	24	23	95.83	39.13
American Indian or Alaska Native	--	--	--	--
Hispanic or Latino	17	16	94.12	37.50
White	42	42	100.00	57.14
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	23	23	100.00	43.48
Students with Disabilities	11	11	100.00	27.27
Homeless	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Our parents and the community are very supportive of the program at Central Coast New Tech High. Parents have an opportunities to become involved in their child's education in numerous ways, such as volunteering to sit on student presentation panels or to work in the classroom as guest experts. Organized groups for parent involvement include the Parent Boosters (Parents of the Pack) and School Site Council (SSC). Parents and community members are invited to many school activities and events held throughout the year including Booster Meetings, Back-to-School Night, New Student and Parent Information Nights, Student Project Nights, and student project panels. Parents are also kept informed of school events through automated phone calls and e-mails, a school newsletter issued each quarter, daily student bulletins which are shown on the school's website, as well as informational Facebook and Instagram posts. Parents can keep an up-to-date status on their student's grades through the school's ECHO online classroom information management portal.

I strongly encourage you to stay involved with our school and your child's education. Parents who wish to volunteer or participate in Central Coast New Tech High School's committees and school activities may contact Principal's Secretary Raquel Lujano at (805) 474-3350.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The Plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their Safe School Plans: current status of school crime; child abuse reporting procedures; disaster procedures, both routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The Injury, Illness & Prevention Plan was last updated and reviewed with school staff and School Site Council in October 2019.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19
Suspensions Rate	1.5	6.1	2.5
Expulsions Rate	0.0	1.2	0.0

Suspensions and Expulsions for the District	2016-17	2017-18	2018-19
Suspensions Rate	3.2	2.6	3.7
Expulsions Rate	0.2	0.2	0.3

Suspensions and Expulsions for the State	2016-17	2017-18	2018-19
Suspensions Rate	3.6	3.5	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselor*	306.0

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	.5
Social Worker	
Nurse	.5
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)

Subject	2016-17	2016-17	2016-17	2016-17	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19
	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+
English	17	17	2		18	16	2		18	12	5	
Mathematics	17	16	4		18	14	3		17	14	4	
Science	17	12	6		20	10	6		20	9	7	
Social Science	15	16			19	13	3		17	14	3	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	38 hrs.	38 hrs	38 hrs

Lucia Mar invests time and resources to ongoing, district-wide staff development in key initiative areas aligned to district goals to increase student achievement and support school improvement. Each school year our professional development focused on California Common Core State Standards, 21st Century Skills, English Learners, and best practices in using technology for instruction/ assessment.

Professional development opportunities are provided in a variety of ways — one district-wide staff development day, weekly late-start Mondays, staff meetings, release time, Saturday trainings, and summer institutes. Over the last three years, teachers have received at least 24 days of professional development in each school.

In the 14-15 school year LMUSD created a research driven professional development model. Each school site has a Late Start Monday, an Instructional Leadership Team comprised of teachers and administrators, and Teacher Support TOSAs. The combination of these three has resulted in high quality, weekly professional development.

FY 2017-18 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,266	\$51,374
Mid-Range Teacher Salary	\$67,698	\$80,151
Highest Teacher Salary	\$91,798	\$100,143
Average Principal Salary (ES)	\$114,740	\$126,896
Average Principal Salary (MS)	\$114,838	\$133,668
Average Principal Salary (HS)	\$128,579	\$143,746
Superintendent Salary	\$209,725	\$245,810

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	37%	35%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

Lucia Mar offers a comprehensive range of programs and services to support student learning. A strong core curriculum is taught by highly qualified teachers. Student learning is monitored closely. Proficient and advanced students are challenged to master skills at the highest levels. Students not yet proficient are supported with additional time and instructional support. Academic support is provided during the school day and after school. Social and emotional support is provided to eliminate barriers to academic success.

Academic support services:

- Standards-based instructional materials
- New teacher support
- Staff development
- Intervention programs
- Intensive instructional services
- English language development
- Title I, Response to Intervention
- Students with disabilities
- After school programs

Social and emotional support services:

- Counseling support
- Intensive counseling services
- Mental Health early prevention
- Safe Schools
- Referrals to Community Agencies

FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	5808.08	222.26	5585.82	56320.56
District	N/A	N/A	100	\$68,618.00
State	N/A	N/A	\$7,506.64	\$82,031.00

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	193.0	-17.1
School Site/ State	-71.2	-34.3

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Comprehensive academic and social support services enable Lucia Mar students to achieve at high levels in school and life.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Rate for Central Coast New Tech High	2015-16	2016-17	2017-18
Dropout Rate	1.3	2.2	1.3
Graduation Rate	98.8	97.8	98.7

Rate for Lucia Mar Unified School	2015-16	2016-17	2017-18
Dropout Rate	4.2	4.1	3.6
Graduation Rate	93.1	91.2	92.7

Rate for California	2015-16	2016-17	2017-18
Dropout Rate	9.7	9.1	9.6
Graduation Rate	83.8	82.7	83

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Career Technical Education Participation

Measure	CTE Program Participation
Number of pupils participating in CTE	224
% of pupils completing a CTE program and earning a high school diploma	100%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	55%

Career Technical Education Programs

The Board of Education realized that students have varying academic interests and aptitudes, and that they need to be better prepared for options other than a four-year university directly from high school, particularly in light of the rapidly changing workforce technology and employment environments in many industry sectors. Therefore, the Board of Education sought to support Programs of Study to ensure that all students graduating from the Lucia Mar Unified School District have the preparation necessary for success in any post-secondary pursuit, whether it is university studies, technical training, workforce placement, military enlistment, or service as a community volunteer.

As vocational education evolved in the 21st century, it became known as Career Technical Education (CTE). Business owners, trade union leaders and educators came together to change how occupational and technical subject matter were delivered in high school, college and technical training environments. This resulted in the need to develop robust and rigorous curriculum provided in a cyclical continuum that engages participants in the most common tasks and skills required in a broad umbrella of employment opportunities within a specific industry sector. High School Career Pathways provide the first two to three years of instruction and skill development in this scenario.

Pathway programs in LMUSD are designed so that students are able to gain at least one industry certification, or equivalent skill measurement, to provide a competitive advantage in the job market. Additionally, curriculum will coincide with community college career certificate and associate degree programs in same/similar industry areas and in some cases allow students to earn college credit for their coursework while still in high school. This will shorten the time it takes students to earn post-secondary degrees/certificates and enter the skilled workforce. The California Department of Education gives guidance for the design of model CTE programs in their plan for Career Technical Education, which was adopted by the State Board of Education in 2008.

The same quality program indicators were taken into consideration during the development of career pathway programs of study for LMUSD. Specifically, the focus of pathway preparation has been on assessing current programs and facilities, establishing relationships with industry members and assembling advisory committees for new programs, reviewing and developing curriculum, reviewing instructor training needs, determining outreach/communication needs, and researching funding options for new and existing pathway programs.

The Director of CTE provides direct support to instructors, pathway programs, and site administration in the areas of curriculum, facility and equipment, postsecondary alignment, industry partnerships, and overall pathway focus. CTE teachers participate in professional development to stay up to date with changes in industry by attending workshops, conferences, and other training opportunities. Additionally, CTE instructors focus on pathway development and philosophy, which include California State CTE Frameworks and model standards, as well as funding legislation that affects the structural make up of CTE programs. This baseline of CTE supports has continued to improve annually in the support of current programs that are functioning well, retooling programs that have minor areas of weakness, building out viable pathways from programs that currently function as a single course, and establish new programs where programs do not exist but there is a regional workforce need.

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2018-19 Pupils Enrolled in Courses Required for UC/CSU Admission	100
2017-18 Graduates Who Completed All Courses Required for UC/CSU Admission	53.25

2018-19 Advanced Placement Courses

Subject	Number of AP Courses Offered*	Percent of Students in AP Courses
Computer Science		N/A
English		N/A
Fine and Performing Arts		N/A
Foreign Language		N/A
Mathematics		N/A
Science		N/A
Social Science		N/A
All courses		

Note: Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Several CTE programs participate in Career Technical Student Organization (CTSO) activities and competitions through the Future Farmers of America (FFA), SkillsUSA, and HOSA. The Culinary Arts, Agriculture, Design, Visual, Media Arts, and Animation programs have all had regional contest student winners, who competed in the various categories at the state level. Industry recognized certifications include CPR, First Aid, Food Handlers, Serv Safe, Adobe, and CAD. Students also have the opportunity to earn college credit toward a degree within their field of study and some pathways offering multiple college courses. Additionally, students are able to build resumes and portfolios with unique projects that demonstrate their level of expertise with industry desired skills. Through continually expanding internship programs available in various pathways, students are able to gain real world experience within their field of study that often times leads to employment.

ARROYO GRANDE HIGH SCHOOL

- Ag Mechanics
- Animal Science
- Architecture & Engineering
- Automotive Technology
- Hospitality & Tourism / Culinary
- Ornamental Horticulture
- Design, Visual & Media Arts
- Sports Medicine / Patient Care
- Technical Theater
- Professional Theater
- Criminal Justice / Public Safety
- Product Innovation & Design

NIPOMO HIGH SCHOOL

- Ag Mechanics
- Animal Science
- Criminal Justice / Public Safety
- Sports Medicine / Patient Care
- Product Innovation & Design
- Ornamental Horticulture
- Agri-Science
- Design, Visual & Media Arts
- Professional Theater

CENTRAL COAST NEW TECH HIGH

- Software & Systems Development
- Design, Visual & Media Arts
- Entrepreneurship
- Engineering

Addressing the CTE needs of all students

All ninth-grade students have the opportunity to take a “Tech Seminar” class and meet with career counselors where they identify personal interests, explore career options, develop academic plans, and learn about post-secondary educational and training opportunities. Students may develop advanced skills and receive industry-standard training by participating in the various vocational/technical courses at all sites. These courses prepare students for future college coursework and entry-level job opportunities.

Evaluating CTE Programs

Each CTE Pathway maintains an active business advisory committee that evaluates the program. In addition, school and district administrators monitor the program and instructors effectiveness on an annual basis. All CTE Pathways require a two- or three-course articulated curriculum that will meet job market expectations providing students with a minimum of 300 hours of industry specific curriculum aligned to both post-secondary education options and high demand, high wage careers.

CTE Career preparation CTE courses offered at Arroyo Grande High School include:

- Ag Biology
- Animal Science
- Animal Anatomy and Physiology
- Floral Design
- Environmental Horticulture
- Advanced Floral Design
- Ag Mechanics I
- Ag Mechanics II
- Ag Mechanics III
- Intro to Architecture and Engineering
- CAD
- Architecture Design
- Automotive Tech
- Advanced Auto Tech
- Intro Culinary Arts
- Advanced Culinary Arts
- Digital Foundations
- Creative Media Arts
- Advanced Media Arts
- Intro to Medicine
- Sports Medicine
- Clinical Practicum
- Intro to Product Design
- Product Development and Marketing
- Criminology & Abnormal Psychology
- Criminal Justice
- Intro to Theater
- Professional Theater
- Advanced Professional Theater
- Technical Theater
- Advanced Technical Theater

CTE Career preparation courses offered at Nipomo High School include:

- Ag Mechanics I
- Ag Mechanics II
- Ag Mechanics III/IV
- Sustainable Ag Biology
- Environmental Horticulture
- Floral
- Animal Science
- Animal Anatomy & Physiology
- Ag & Soil Chemistry
- Adv Interdisciplinary Science for Sustainable Ag
- Intro to Public Safety
- Criminology & Abnormal Psychology
- Intro to Product Design
- Product Development and Marketing
- Intro to Medicine
- Sports Medicine
- Clinical Practicum
- Professional Theater
- Advanced Professional Theater
- Creative Media Arts
- Advanced Media Arts

CTE Career preparation courses offered at Central Coast New Tech High School include:

- Computer Science
- Program and Game Design
- Advanced Computer Science
- Digital Foundations
- Creative Media Arts
- Advanced Media Arts
- Physics Universe
- Advanced Physics & Engineering
- Entrepreneurship
- Advanced Entrepreneurship

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
