STUDENTS

Message From Ms. Garcha: I would like to welcome you back from Winter Break. I hope you enjoyed your time with your family and friends. A new year always means new goals, hopes, and expectations. I encourage you this week to reflect and come up with some academic and behavior goals for yourself. You may set your goals to read more books, improve your test scores, improve your attendance, etc. Have a great year! We are always here to help if you don't know where to get started.

Growth Mindset Quote of the Week: *"The only true failure lies in the failure to start."* – Harold Blake Walker

Attendance: Students, it is our top priority that you are in school every day. If you are not in school, you cannot learn. Academic success begins with coming to school every day. Our goal for you is to have excellent attendance, which means no more than seven absences for the entire school year. We look forward to seeing you here every day ready to learn!
