## “Failing to prepare is preparing to fail.” - John Wooden

It would be helpful if you could make sure that your student arrives to school prepared with the school supplies listed for home and school use:

- Composition Notebook, COLLEGE RULE (100 sheets) for US History
- Composition Notebook COLLEGE RULE (100 sheets) English
- 1 ream of three-holed, loose-leaf paper, white, college ruled
- Pencils (mechanical pencils permitted but must have enough lead to refill immediately)
- Black or Blue pens ONLY
- 2-3 Bright highlighters
- Fine, thin** colored markers (used for outlining and writing,)
- 2 pads of plain sticky-notes - 3 in. x 3 in. size.
- Thin sticky notes (used as evidence flags)

**Students are expected to have these items in class daily. We will use them often.**

*Please check your student's agenda every evening to see what homework needs to be completed and any paperwork that requires your signature.*

*Thank you*
