

NORWALK - LA MIRADA UNIFIED SCHOOL DISTRICT  
Every Student. Future Ready. Our Promise!

Dear NLMUSD Community,

I want to extend my deepest appreciation to each and every one of you for your continued patience and flexibility over the past few weeks. We live in unprecedented times as we face this pandemic caused by the spread of COVID-19.

Last Friday, the Los Angeles County Superintendent of Schools Dr. Debra Duardo announced in a [media release](#) her recommendation to extend closure of all public schools until Tuesday, May 5, 2020 to help contain the spread of COVID-19. Superintendent Duardo's action follows new public health orders issued March 19 by Governor Gavin Newsom and Los Angeles County officials instructing people to stay at home and prohibiting gatherings of more than 10 people.

Therefore, the Board of Education has authorized me **to extend school closure until Tuesday, May 5<sup>th</sup>**. Please be advised that this date may be subject to further extension due to the nature of this disease and future developments. I will continue to communicate with you by providing updates during closure. During closure, distance learning will continue except during the spring break, April 10-17<sup>th</sup>.

Thanks again for your patience. Working together, I am confident that we will overcome this pandemic safely.

Sincerely,

Dr. Hasmik Danielian

Superintendent
