- 1 Transfer students will meet all enrollment requirements for new students.

- 2 Principals shall carefully examine all applications for credit for work transferred from other schools,
- 3 both in-state and out-of-state schools, and shall allow such credit only when substantiated by official
- 4 transcripts, provided that students transferring from schools which are not approved by the Tennessee
- 5 State Board of Education or by the comparable agencies shall be allowed credit only when they have
- 6 passed comprehensive written examinations approved, administered, and graded by the principal or his
- 7 designated representative.

- 8 In the case of elementary school students, the examination shall cover the last grade completed.

- 9 In the case of secondary school students, the examination shall cover the individual subjects appearing
- 10 on the official transcripts, except that in subjects of more than one unit such as English language arts,
- 11 algebra, home economics, type-writing, shorthand, bookkeeping, foreign languages, etc., the
- 12 examination need only cover the last unit completed. If a student transfers from another high school
- 13 with half units in courses for which a minimum of one unit is allowed and if this student cannot,
- 14 through no fault of his own, complete the unit courses in the high school to which he transfers because
- 15 of their not being offered or because of scheduling difficulties, such half units may be counted toward
- 16 graduation.

- 17 If students are admitted to approved schools from unapproved schools by examination, it shall be the
- 18 duty of the principal thus receiving them to keep the examination papers of file for a period of at least
- 19 one year.¹

- 20 No student shall enter the boundaries of another school system for the purpose of going to school
- 21 without the mutual consent of the school systems concerned, under a written agreement signed by the
- 22 chairman and secretary of the Board of Education of the school systems. The agreement shall have the
- 23 approval of the State Commissioner of Education.²

- 24 **Oneida Schools offers open enrollment for the first five (5) days of the school year. After the first five**
- 25 **(5) days of the school year (including registration day), a student must make a physical move into the**
- 26 **district to be enrolled.**
