

To Parents of Center Joint Unified School District Students:

As many of you may know, we are required by law to transport *ONLY* Special Ed. students; but as a courtesy *C.J.U.S.D.* offers three (3) regular ed. bus routes for transportation free of charge.

We have been training vigorously during the summer in hopes that by October we will have a fully staffed Transportation Department.

1. *We are happy to announce we have a new bus route and location for transporting Wilson C. Riles students who live by North Country Elementary school. Our new route will pick up and drop off students at North Country Elementary school. Please make sure your student receives an I.D. Badge from their school so we can give them a Ridership sticker to ensure a seat on our bus.*

2. *We have moved the Tartan @ Ust bus stop to Spinelli Elementary school. Please check website for bus schedules.*

We will start the new route and locations on the first day of school and will keep you updated utilizing our Website with any new information regarding bus times/schedules furthermore we are still in the process of creating a better communication system that will allow us to communicate to you any future needs in order to provide advanced notice of such plans.

We are hoping to open more routes once we continue to grow. We apologize for any inconveniences and hardships resulting from our department and want to thank you for your continued patience/understanding and notifying us of issues requiring resolution. We will continue to strive to do our best.

Please feel free to call or communicate to your Bus Driver with any future concerns/questions you may have as we all work together to provide an exceptional education experience for our children and to make our district and community a better place to learn and live.

The primary mission of the CJUSD Transportation Department is to provide the community with a well- staffed, knowledgeable team that takes pride in providing students and their families home to school transportation; in a safe, professional, and friendly environment, ensuring that our students are consistently getting to school with smiling faces and ready to learn.

Safety is our top priority.....

Safety Oriented

Always professional & helpful

Fair & Friendly

Efficient & Enthusiastic about transporting students

Trusted

You bet we can!....is our attitude

Thank you,

Cyndy Mitchell Transportation Supervisor
