IMPORTANT COVID-19 UPDATE: Remote Learning Extension

As a result of the revised statewide “Safer at Home” order, remote learning will be extended through Sunday, April 19. Our intent is to resume in-person instruction on Monday, April 20, but much will depend on orders from public health officials at that time. May God continue to bless our Parish and School Community.

WE MISS YOU!

Our students are the heart and soul of our school. They exemplify our mission to develop life long learners. At this time, we can report that our plan to rollout “Remote Learning” is a success. We are grateful to the Faculty and Staff for their ability to adjust and adapt with short notice. We are **HERE** for you and willing and able to assist. Thank you for your support.

8TH GRADERS

We are proud of the Class of 2020 who were all accepted to their first choice of high schools. During the high school application process we encouraged all families to apply to more than one high school. Our Falcons soared with acceptances to all the high schools to which they applied. Many were accepted with Merit and Financial Scholarships. Excellence in Education shines brightly at SSFP!
