

**Confidentiality Training  
Pre/Post Assessment**

True False	1. It is acceptable to discuss a student with a disability with a trusted colleague at a football game.
True False	2. Any school that receives state or federal funds does not have to comply with privacy acts.
True False	3. Confidentiality applies to written records as well as spoken discussions about a student.
True False	4. School districts must provide public notice bi-annually.
True False	5. When discussing a student with a colleague, four W's should be applied to your conversation.
True False	6. An LEA shall permit a parent to inspect and review any education records relating to their child that are collected, maintained, or used by the LEA.
True False	7. Foster parents do not have the right to review and inspect educational records.
True False	8. The LEA shall not charge a fee to search for or to retrieve information.
True False	9. A parent or eligible student who believes information in the education records collected, maintained, or used is inaccurate, misleading, or otherwise violates the student's privacy cannot request the LEA to amend the information.
True False	10. If a parent requests a hearing, it must be held in accordance with the LEA's policies and procedures.
True False	11. Parental consent is not needed to disclose records to individuals/agencies other than those listed on the disclosure without consent list.
True False	12. If a court has established limited or full guardianship, a student at the age of 18 is considered an eligible student.
True False	13. If an education record includes information on multiple children from different families, a parent has the right to review all information in the record.
True False	14. Private notes created by district staff become part of the educational record and become accessible to parents for inspection and review if the notes have been orally communicated to others, even if the notes remain in the possession of the staff member who created them.
True False	15. Parental consent is not needed to forward educational records to a school in which a student is enrolling.
