This month we will start to look through and study for the Woksape Bowl. I am hoping to get a team to represent each school. Our High School Lakota Language team competed in the Language bowl this past month at LNI. They did not make top 3 but they did an amazing job. We learned a lot from what to study and look forward to next year's competition. The art taken from Ms. Walkers art classes pulled together and received 1st place with 17 schools in this year's competition.

Mr. Frederick and I made the trip to Ft. Yates and met with the Tribal Consultation Committee about our schools IPP's. In meeting with this board they were impressed with everything we are doing and hope for us to continue on and join them in teaching about Oceti Sakowin Essential Understandings this next school year. We hope to get training on this on their PD day this coming August.

Our Senior Honoring Date is set for March 30th. We will discuss times and helpers in the months to come.

February 6th – Eligibility Check
