

Visitor Information

Visitor Entrance

Parents, family members, and visitors should enter using **Door 1**, located on the west side of the building along Lincoln Avenue.

This entry location provides visitors with a welcoming entrance to our **HOME** and continued safety for our school. Security Personnel may screen parents, family members, and visitors upon entry. Parents are always welcome in the school, but to ensure parent needs are met, we ask that an appointment with the person with whom you wish to meet is made in advance.

Visitor parking available in lot off of Richmond Street.
