As you aware, due to the coronavirus, school will be closed for the next two weeks. To support continued learning during this time, our teachers have been working on lessons for students to complete at home. These lessons will be available online via teacher Google Classrooms and in paper format for those who need it. We are also preparing a schedule for students to come by school tomorrow, Tuesday, March 17th, to pick up materials or personal belongings from the gym. Visitors will not be allowed to go to classrooms.

In an effort to better prepare for tomorrow's distribution, we are asking for any students who need paper copies of assignments to DOJO their teachers by 1:00 pm today. If you have specific items that need to be picked up (ex. Medicine, supplies) please let your teacher know so we can have it ready. Paper and pencils will be provided if needed.

Pickup will begin at 8:30 am and end at 4:00 pm. If you do not have the means to come to school please notify your child's teacher so we can make arrangements.

Online access to digital resources will be available on each teacher's Google Classroom. Teachers will send all information via Class Dojo.

Please see below for a REWARDS system for students completing work over the next two weeks.

Any candy money can be turned in tomorrow as well. Our sales have been extended through the end of March in order to sell all remaining chocolate.

Thank you for your continued support and flexibility during this challenging time. Please reach out if you have any questions or concerns at 336-472-1576 or cslate@davidson.k12.nc.us
